**Imagining the Jewish God** Leonard Kaplan,Ken Koltun-Fromm,2016-09-09 Jewish art has always been with us but so has a broader canvas of Jewish imaginings in thought in emotion in text and in ritual practice

Imagining the Jewish God was there in the beginning as it were engraved and embedded in the ways Jews lived and responded to their God This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue A responsive living covenant lies at the heart of this book a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God The contributors to this volume are committed to this form of textual reasoning even as they all move us beyond the text as foundational for the imagined people of the book That people we submit lives and breathes in and beyond the texts of poetry narrative sacred literature film and graphic mediums We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call

**Eden's Other Residents** Michael Gilmour, 2014-06-20 The Bible teems with nonhuman life from its opening pages with God's creation of animals on the same day and out of the same earth as humans to its closing apocalyptic scenes of horses riding out of the sky Animals are Adam's companions Noah's shipmates and Elijah's saviors They are at the center of ancient Israel's religious life as sacrifices and yet as Job discovers beyond human dominion It is an animal that saves Balaam from certain death by an angel's hand and an animal that carries Jesus into Jerusalem The Creator declares all of them good at the beginning and since the Apostle Paul writes of God's eternal purposes for all things on earth they are somehow part of a hoped for eschatological restoration So why are animals so often ignored in Christian moral discourse In its theological thinking and faith motivated praxis human centeredness typically results in the complete erasure of the nonhuman This book argues that this exclusion of animals is problematic for those who see the Bible as authoritative for the religious life Instead biblical literature bears witness to a more inclusive understanding of moral duty and faith motivated largesse that extends also to Eden's other residents

**The Gospel of John as Genre Mosaic** Kasper Bro Larsen, 2015-10-28 In recent decades New Testament scholarship has developed an increasing interest in how the Gospel of John interacts with literary conventions of genre and form in the ancient Jewish and Greco Roman context The present volume brings together leading scholars in the field in order to discuss the status quaestionis and to identify new exegetical frontiers In the Fourth Gospel genres and forms serve as vehicles of ideological and theological meaning The contributions to this volume aim at demonstrating how awareness of ancient and modern genre theories and practices advances our understanding of the Fourth Gospel both in terms of the text as a whole gospel ancient biography drama romance etc and in terms of the various literary tiles that contribute to the Gospel's genre mosaic
