

# 3<sup>rd</sup> Grade Week 3:

**Library Skill/Concept:**  
Book Walk &  
Good Fit books

**Book:**  
Goldie Socks and the Three Libearians  
by Jackie Mims Hopkins

## Lesson:

1. Welcome students back to the library.
2. Tell students, "Last week we looked at the books that were this year's nominees for the Texas Bluebonnet Award (or your state's award). Think back to those books... were they all the same?"
  - a. Let students share their ideas.
3. Explain to students, "These books are written for students in 3<sup>rd</sup> through 6<sup>th</sup> grades. Do you think that this is important to know?"
  - a. Let students share their ideas.
4. Explain "Since they are written for different grade levels, they will also be on different levels. You will have to learn how to PICK whether a book is a good one to read."
  - a. Go over **IPICK** poster with students (Slide 16).
5. Tell students, "We will come back to this conversation, but first let's read our story for today."
  - a. Read the story.
  - b. After the story, ask the students, "How can we relate what happened in the book with what we were talking about with our Bluebonnet conversation?"
    - c. Let students share their ideas.
6. Explain to students: "Even though these 20 Bluebonnet books are all part of the same contest, they are not all written the same. Just like the books in the library, there will be some that are "too hard", "too soft", and "just right". You have to decide for yourself which books to read."
  - a. Show students the **5-Finger Rule** and go through the steps together. (Slide 17)
7. Explain to students, "You can use the 5 finger rule as a guideline to help you decide, but the ultimate choice is yours."
  - a. Show students how to do a "Book Walk" by reading the title, summary, and flipping through the pages to get an idea of what the book is about. Remind them that there could be some books that you're interested in right away, just kind of interested in, and not interested in at all. That's okay too, but don't be afraid to go out on a limb and try something different every now and again. You might just be surprised!"
8. Give kids a chance to go try out the 5-finger rule with different chapter books using their own bookmark (Slide 18).
