

Q3. Study Sources D and E. How similar are Sources D and E about the League of Nations' actions over Corfu? Explain your answer using details from the sources. (8 marks)

Both sources discuss the League of Nations' actions during the Corfu Crisis. Source D, written by Lord Robert Cecil, highlights the League's efforts to resolve the dispute, though with differing perspectives on what was achieved. Source E states that the League's actions were 'practically nil', showing its active role in attempting to resolve the crisis.

Q4. Study Source B. How useful is this source to a historian studying the League of Nations? (8 marks)

Source B is useful to a historian studying the League of Nations as it highlights the League's reliance on moral persuasion rather than military or economic power. It depicts the League's enforcement mechanisms as 'unimpressive' and 'unimpressive', reflecting a real limitation of the League's authority and collective action, rather than a strategy to avoid conflict. The cartoon also serves as a warning to the League's members that their actions were not ultimately a great threat to the stability of the world.

Q1. Study Source A. What is the message of the cartoon? (8 marks)

The main message of the cartoon is that, despite being often clumsy and cumbersome in its approach to dealing with conflicts, the League of Nations is capable of preventing violence and direct conflict on a small scale, such as the Bulgarian Crisis of 1923. This is shown through the depiction of Greece and Bulgaria as Tweedledum and Tweedledee, two children from Alice in Wonderland who are always arguing and who are known for their foolishness. This symbolises the petty and unnecessary nature of their conflict, which was not ultimately a great threat to the stability of the world.

Q4. Study Source F. Are you surprised by this source? Explain your answer using details of the source and your knowledge. (7 marks)

Source F is a letter from the Bulgarian Ministry of Foreign Affairs, dated 1923, highlighting the League's actions over the Corfu Crisis. It states that the League's actions were 'practically nil', showing its active role in attempting to resolve the crisis.

Q3. 'The League was very successful in the 1920s. How far do these sources support this statement?' (8 marks)

Several sources support the view that the League was very successful in the 1920s. Source D, written by Lord Robert Cecil, highlights the League's efforts to resolve the dispute, though with differing perspectives on what was achieved. Source E states that the League's actions were 'practically nil', showing its active role in attempting to resolve the crisis. Source F, a letter from the Bulgarian Ministry of Foreign Affairs, dated 1923, highlights the League's actions over the Corfu Crisis. It states that the League's actions were 'practically nil', showing its active role in attempting to resolve the crisis. Source G, a letter from the League of Nations, dated 1923, highlights the League's actions over the Corfu Crisis. It states that the League's actions were 'practically nil', showing its active role in attempting to resolve the crisis.
