Theological Dialogue with Classical Pentecostals Jelle Creemers, 2015-09-24 The last two decades have witnessed the growing participation in theological dialogues of non institutional free church movements This poses a serious challenge to 21st century ecumenism since ecclesial realities and internal diversity of these movements impede fruitful dialogue in the classical manner The present volume addresses fundamental aspects of this challenge by a critical study of an exemplary case of such dialogues the International Roman Catholic Classical Pentecostal Dialogue 1972 2007 This unique study builds both on primary archival sources and on earlier research on the IRCCPD After providing an ecumenical profile of the Classical Pentecostal dialogue partner Creemers demonstrates how fair representation of the Classical Pentecostal movement has been pursued in the course of the dialogue Next he gives attention to the ecumenical method of the IRCCPD First the development of a dialogue method hinging on hard questions is traced which has

allowed a balanced theological exchange between the dialogue partners Regarding theological method it is demonstrated that both partners showed a willingness to experiment together by integrating sources of theological knowledge typically distrusted in their own traditions In conclusion the analyses are integrated in an overview of challenges and opportunities for dialogue with the Classical Pentecostal movement in the context of ongoing discussions on ecumenical method

The Crop Circles: The Return of the Annunaki Robert L. Glover Jr., 2015-04-02 Have you ever wondered how crop circles came to be who made it and what those symbols formed could mean Do aliens and other beings other than us exist These questions keep on lingering since time immemorial yet answers to these queries are never achieved When two huge crop circles were created simultaneously in just one night by a bigfoot in Dorchester England and Kansas investigations from both the United States and England were made Dr Jane Nixon and her team led the investigation in the US while Prof Sheridan and Fallon in UK both groups are crop formation experts in their

respective countries Meanwhile Mike and John Williams who witnessed the intense light from the sky carves the crop circle in a wheat field in Dorchester England and the Bigfoot who appeared out of the lights became the main suspects and both were locked up However the following night more crop formations were created all over the world which ignited panic across the globe resulting in predictions of the end of the world Fearing that their anomalies may be revealed the governments of both countries conspired to suppress the information on the crop formations and decided to seize the investigations of both crop formation experts and rounded up all known witnesses While the government failed to exterminate Dr Nixon She and her team commenced on their mission to solve the mystery in the hopes of finding out the truth and possibly save humanity Journey through the different historical sites in the world including the Great Pyramid of Egypt and the Incan and Mayan temples and other ancient sites and unveil the mysteries of the Annunaki Uncover the enigma of the universe that has long been shrouding the truth as you continue to read The Crop Circles The Return of the Annunaki
