The Common Core Companion: The Standards Decoded, Grades K-2 Sharon Taberski, Jim Burke, 2014-05-13 It's the teaching around the standards that counts. What makes Sharon Taberski's Common Core Companion that version of the standards you wish you had? It's the way Sharon translates each and every standard for reading, writing, speaking, and listening language and foundational skills into the day-to-day what you do. It's all here: The standards for literature and informational texts put side-by-side for easier planning. More than a dozen teaching ideas for each standard.

Recommendations on how to cultivate critical habits of mind. A glossary of academic language for each standard. An online bank of graphic organizers, reproducibles, charts, and more. [Your Literacy Standards Companion, Grades K-2](#) Sharon Taberski, Jim Burke, 2017-05-23 Standards-based learning just got a lot easier. This new version of the Common Core Companion provides a Smart Chart Index for all states implementing state-specific ELA standards. This index allows you to see in an instant which of your standards are the same as CCSS, which differ, and how, and which page number to turn to for standards-based teaching ideas. Beyond that, it's the same great go-to guide for implementing the standards, translating each and every standard for reading, writing, speaking, and listening language and foundational skills into the day-to-day what you do.
