New Funding Model to Streamline University Education - PS

The Department of Education (DepEd) has announced a new funding model for higher education institutions (HEIs) to streamline university education. The new model, known as the Performance-Based Funding (PBF) model, will be implemented starting in 2024. The PBF model will allow HEIs to receive funding based on their performance in various areas, such as student outcomes, research, and community service. This model is expected to encourage HEIs to improve their quality of education and to focus on the needs of their students. The DepEd Secretary, Armin Luistro, stated that the PBF model is a significant step towards ensuring that higher education is accessible and of high quality for all Filipinos.
