

The background of the cover is a photograph of the Burj Al Arab hotel in Dubai, United Arab Emirates. The hotel's distinctive sail-shaped architecture is prominent, with its white, curved facade and blue-tinted glass windows. It stands tall against a clear blue sky. In the foreground, there is a body of water, likely the Dubai Mall Canal, with a small wooden boat carrying a few people. The shoreline is lined with lush green palm trees and other tropical vegetation. To the left of the hotel, there are some lower-rise buildings with a traditional architectural style. The overall scene is bright and sunny, suggesting a clear day.

Essentials of World Regional Geography George W. White, 2011

Essentials of World Regional Geography George White, 2010 This shorter version of the highly successful *Contemporary World Regional Geography 3e* gives readers a fresh new approach that combines fundamental geographical elements internal regional diversity and contemporary issues This approach allows serious discussion of cultural and environmental issues as well as political and economic issues The main innovation in this completely rewritten text is in the ordering of the material covered While other texts cut photos illustrations and boxed material from their WRG books this essentials version is a completely rewritten text by the author

Essentials of World Regional Geography Christopher L. Salter, Joseph J. Hobbs, Jesse H. Wheeler, Jr., 2000 The third edition of this text builds the story of each region using contemporary concerns and historical themes to create a complete picture of our ever changing planet and its people The authors help students understand what aspects of a place give it identity and personality by detailing what features make it newsworthy now and what features might make it critical in the 21st century This book pays strong attention to the phenomenon of globalization This perspective has been prompted by the almost world wide financial crisis that began in Southeast Asia in 1997 swept much of Asia in the following year and then rocked Russia in 1998 and Brazil in 1999

Essentials of World Regional Geography Michael John Bradshaw, 2008

Essentials of World Regional Geography Christopher L. Salter, 1998 In this text designed for use in introductory courses on world regional geography eight profile chapters provide a comparative view of the world's regions Subsequent chapters provide a more focused look at specific countries
