, 1971 *Collecting Drag Racing Model Kits* Tom Boyd, 2020-08-15 Relive the golden age of drag racing through this exhaustive volume covering the best drag racing model kits of the era Model expert Tim Boyd author of *Collecting Muscle Car Model Kits* turned his attention to the fantastic drag racing model kits available from the late 1950s through today Some racing model kits were actually 3 in 1 kits where the builder assembled the drag race version of the car in lieu of the street or custom version Boyd starts by covering the options collectability variety availability and value of these wonderful kits and then concentrates on the highly detailed drag racing only kits that became available starting in the mid 1960s through today

He also shows the differences between original kits older reproduction kits and new reproduction kits that many enthusiasts find at swap meets and online sources today Many of these great kits were from the 1960s an era when building model kits was a widely popular serious hobby similar to video games today Not only was it fun to build the kits but it was also a great way to learn about all the different race classes and categories because there wasn't regular TV or online coverage during that era The artwork on those kits was fantastic and many collectors today seek original kits largely because of it The classes of racing covered are Gassers Rail Dragsters Stocks and Super Stocks Funny Cars Pro Stocks Exhibition Racers and more Drag racing cars designed by model companies that never actually existed are also covered Nostalgia drags are some of the most popular events around the country today People can't get enough of these old race cars that were built in an era when variety innovation and home building ruled the day This book is great for modelers in general model kit collectors and drag racing fans young and old alike
