**English-Medium Instruction and Translanguaging** BethAnne Paulsrud,Zhongfeng Tian,Jeanette Toth,2021-01-20

This book offers a critical exploration of definitions methodologies and ideologies of English medium instruction EMI contributing to new understandings of translanguaging as theory and pedagogy across diverse contexts It brings together a number of conceptual and empirical studies on translanguaging in EMI at different educational levels in a variety of countries with different approaches to translanguaging different named languages and different policies These studies include several underrepresented contexts across the globe providing a broad view of how translanguaging in EMI is understood in these educational settings Furthermore this book addresses the complexities of translanguaging through a discussion of the affordances and constraints associated with the use of multiple linguistic resources in the EMI classroom

**Unlocking the chains of knowledge** Monwabisi K Ralarala,Suren Pillay,Zannie Bock,Russell H. Kaschula,2025-02-28

Unlocking the chains of knowledge Understanding the challenges remaking pedagogies and curriculum renewal addresses the complex yet imperative task of reshaping the colonial legacy embedded within South African higher education and beyond The book confronts the historical and ideological bindings that have entrenched European centric knowledge within the fabric of academia in Africa propelling a transformative journey within the Arts and Humanities At its core this work presents a tripartite focus firstly understanding the deep seated issues ingrained in the traditional university structure secondly remaking pedagogical practices and lastly renewing the curriculum Recognising the historical dominance of Eurocentric ideas the book explores various movements theories and practices from negritude to postcolonial theory aiming to emancipate and amplify the voices and knowledge of those historically excluded With a commitment to a pluralistic approach the book scrutinises the power dynamics of language the importance of diverse perspectives and the challenging task of inclusion without replicating the divisive structures of the past Prof Christine Winberg Research Chair in Work integrated Learning Cape Peninsula University of Technology In Unlocking the chains of knowledge Understanding the challenges remaking pedagogies and curriculum renewal the editors provide a decisive and detailed reflection and profound understanding of complexities of knowledge generation in Southern Africa Unlike many volumes that address these intricate complexities this volume not only navigates the intricate complexities of the long history of epistemic injustices and intolerance in the Southern African higher education environment but delves deeper into the core of what is required for curriculum transformation and renewal The groundbreaking volume addresses the urgent need for linguistic inclusivity consciousness about decoloniality as well as embedding social justice in South African and Zimbabwean education and by doing so presents strategies that can be used by the rest of the African continent in addressing the scourge of coloniality Prof Pamela Maseko Executive Dean Faculty of Humanities Nelson Mandela University
