Resources in Education, 2001-04 **Research in Education**, 1974 **Teaching LGBTQ Politics** Edward F. Kammerer, Jr., Royal G. Cravens, III, Erin Mayo-Adam, 2025-08-01 An innovative collection of advice resources and ideas for faculty teaching LGBTQ politics Limited resources exist to support faculty teaching LGBTQ politics The first of its kind this edited volume brings together scholars from across the discipline of political science to offer guidance on how to better teach LGBTQ issues Rooted in and focused on the US context the book is divided into three sections The first addresses developing and teaching LGBTQ politics courses at both the undergraduate and graduate levels The second offers suggestions for incorporating LGBTQ topics into other political science courses And the last homes in on various pedagogical concerns that can arise when teaching LGBTQ politics Contributors provide a host of resources including lesson plan templates reading assignments and strategies and takeaways from their own experiences teaching in the field Resources in Education, 1995

ERIC Educational Documents Index Educational Resources Information Center (U.S.), 1966 A subject author institution index which provides titles and accession numbers to the document and report literature that was announced in the monthly issues of *Resources in education* earlier called *Research in education* *The Complete Book of Colleges, 2018 Edition* Princeton Review, 2017-07 Includes information on admissions cost financial aid required and recommended admissions criteria cost breakdowns and types of financial aid for 1 355 colleges and universities **Technical Abstract Bulletin**, 1978 **ERIC Educational Documents Index, 1966-69: Minor descriptors and author index**, 1970 *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces*, 1908 Government Reports Announcements & Index, 1993 *China* World Bank, 1993 The Republic of Korea s industrial policy has directed that nation s economy through nearly three decades of spectacular growth But the authors of this paper maintain that this policy is showing signs of being outmoded The time has come the authors argue for the Korean government to stop managing the economy s structural development and to redefine the responsibilities of business and government Under this proposed compact the allocation of resources would shift from the government to the private industrial and financial sectors The transformation of the government bureaucracy from an ad hoc policy role to one of a transparent and predictable regulator is a key to the success of this undertaking These new directions would present the government with enormous challenges Greater competitive discipline and regulatory oversight would be required While dealing with the complexities of the transition the government would have to maintain macroeconomic stability and the momentum of savings and investment For comparison the study examines the industrial economies of France Germany Japan and the United States which underwent similar shifts **The Adolescent** F. Philip Rice, Kim Gale Dolgin, 2008 *The Adolescent Development Relationships and Culture* offers an eclectic interdisciplinary approach to the study of adolescence presenting both psychological and sociological viewpoints as well as educational demographic and economic data This text discusses not just one theory on the

subject but many and outlines the contributions strengths and weaknesses of each The authors also take into consideration current and important topics such as ethnic identity formation gender issues the Internet and the effects of single parent families The twelfth edition offers a vibrant treatment of the adolescent that offers current scholarship as well as an understanding of what it means to be an adolescent today New To This Edition New full color design adds visual interest and better complements the current and engaging content Expanded epilogue contains coverage of emerging adulthood a recently defined stage of life that often follows adolescence in modern 21st century society More than 750 new references keep students abreast of the most contemporary research and topics in the field such as sleep deprivation in adolescence and the down turn in adolescent pregnancy Thought Questions are now divided into three categories Personal Reflection Group Discussion and Debate Questions Expanded coverage of cross cultural issues throughout provides a richer and deeper understanding of adolescence across different cultural groups
