Reviews: Independent customer reviews of our Spelling resources can be found in the Save Teachers Sundays store on TeachersPayTeachers.com and on SaveTeachersSundays.com. Further detail on the features of the book can be found below.

Structure of each page: Each page is designed to cover a single grapheme spelling pattern and begins with a Teaching Tip which explains the spelling rule being covered on that page. If there is a spelling rule, children are then presented with a list of words to learn that follow the relevant spelling rule. Each word is given in a sentence to help the children understand what the word means. Multisensory: Children are encouraged to say the letters aloud as they spell, auditory, and to join the letters kinaesthetic. The online games also allow children to learn the spellings by seeing them, by hearing audio of them, and

by typing them Learning spellings in a multisensory way gives children the best chance of remembering them Multisensory methods are also widely accepted as being most effective for dyslexic children Spelling rules explained at the top of each page if there is a rule This helps children to apply the rule to other words too not just to the specific words on the page Irregular words are highlighted in red with the irregular letters underlined This prevents children from generalizing incorrectly from irregular words and draws their attention to the tricky letters Pen lifts after each syllable Breaking longer words into syllables helps children to spell them Encouraging self checking Children checking their own work for errors makes them more likely to remember these and is less damaging for their self esteem than adult correction Spelling Skills: Grade 3 (Flash Kids Harcourt Family Learning) Flash Kids (Firm),2005-02-07 This workbook is designed to help students improve their ability to read and write by strengthening spelling skills **Pathways to Literacy Excellence**
