Watch Everything Charles A. Shaw, 2013-10 Charles A Shaw grew up in a segregated African American neighborhood in St Louis His tight knit community supported him and he was inspired to become first a teacher and then a lawyer From there he worked his way up to federal prosecutor and state judge before President Bill Clinton appointed him to the federal bench Shaw quickly became dismayed by the inequality and severity of mandatory U S sentencing guidelines and how they affected young African American men Prosecutors opposed him at every turn as he sought to impose fair sentences but he never wavered in seeking to promote equality and curb the destruction of African American families This insightful and at times humorous narrative demonstrates Shaw s love for family hard work and God Including an insider s view of an often unjust legal system tales of working alongside some of the best legal minds in the country and challenges to prevailing concepts *Watch Everything* offers a rare glimpse into the professional life of an unconventional federal judge

How I Ended Up Here! Pam Tomaszynski, 2025-06-06 Pam s journey from a tragic beginning to a life of fulfillment and purpose is both inspiring and thought provoking Born into a family struck by tragedy Pam lost her mother at the tender age of two in a vehicle accident This devastating event sent her birth family into a downward spiral leading to Pam becoming a ward of the state Eventually she was adopted at the age of twelve already hardened by the harsh circumstances and feelings of abandonment she had endured Despite the chaos and the void she tried to fill with a partying lifestyle Pam began to question whether there was another way to live She wondered if different choices could lead to different outcomes In her search for truth she embraced ideas and concepts that were often considered unconventional Her commitment to learning and applying these principles guided her to graduate with a doctorate degree Pam s dedication didn t stop there she integrated these truths into her own life and raised her children with these same principles Her story challenges the adage The apple does not fall far from the tree In her book *How I Ended Up Here My Wellness Journey* Pam shares how she defied this saying in many areas of her life She now watches with gratitude as her three children benefit from the many unconventional decisions she made Her experiences show that going against the grain can yield positive results For many women fear surrounding their bodies and a lack of trust in their Creator can lead to decisions imposed by family media and the medical community that may not align with their inner feelings Pam encourages women to trust their instincts and explore different ways of thinking and living If you re ready to discover whether different choices can lead to different outcomes in your life too then Pam s story is a compelling and hopeful read Happy reading
