

Tips to potty train a puppy

© www.dog-training-excellence.com

Puppies need to go potty more often than adult dogs, follow this guideline:

2 Months	—————→	2-3 Hrs.
Every additional month	—————→	Add 1 Hr.
6 Months and beyond	—————→	6-8 Hrs.

Always take your puppy out for potty time after the following events:

Right after a meal.

Immediately after sleeping.

After a playtime session.

Don't forget to praise him for pottying outside!

Why are you upset?
don't know what I did wrong.

Never punish your puppy for a potty accident.

If you didn't see it happen, it is **too late** to punish.

If you see it happening, calmly but firmly say "HaHA!" and immediately take your pooch outside to finish his business.

How To Potty Train Your Puppy
