It Modules Unisa 2015:

The Origin and Growth of Geography as a discipline at South Africa Universities Gustav Visser, 2016-09-20 The publication provides the first comprehensive text that reflects on a century of the development of geography as an academic discipline at South African universities. The book showcases a broad and textured review of South Africa's geography departments, their staff members, their times, and the different Geographies they engaged in. The book lays the foundation from which more expansive individual departmental histories can be written in the future. *ICEL 2015-10th International Conference on e-Learning* Dr Carlton Watson, 2015-06-12 These proceedings represent the work of researchers participating in the 10th International Conference on e-Learning ICEL 2015, which is being hosted this year by the College of the Bahamas, Nassau, on the 25-26 June 2015. ICEL is a recognised event on the International research conferences calendar and provides a valuable platform for individuals to present their research findings, display their work in progress, and discuss conceptual advances in the area of e-Learning. It provides an important opportunity for researchers and managers to come together with peers to share their experiences of using the varied and expanding range of e-Learning available to them. With an initial submission of 91 abstracts, after the double-blind peer review process, there are 41 academic Research papers and 2 PhD papers. Research papers published in these Conference Proceedings. These papers come from some many different countries including Australia, Belgium, Brazil, Canada, China, Germany, Greece, Hong Kong, Malaysia, Portugal, Republic of Macedonia, Romania, Slovakia, South Africa, Sweden, United Arab Emirates, UK, and the USA. A selection of the best papers, those agreed by a panel of reviewers and the editor, will be published in a conference edition of EJEL, the Electronic Journal of e-Learning, www.ejel.com. These will be chosen for their quality of writing and relevance to the Journal's objective of publishing papers that offer new insights or practical help into the application of e-Learning. *ICEL 2017 - Proceedings of the 12th International Conference on e-Learning* Laurie O. Campbell, Richard Hartshorn, 2017 **Transformative Curricula, Pedagogies and Epistemologies**, 2021-08-04 This book presents useful insights on the regeneration of curricula and pedagogies with a particular focus on universities in South Africa and Africa in general. *Transformative Curricula, Pedagogies and Epistemologies: Teaching and Learning in Diverse Higher Education Contexts* further explores the state of teaching and learning in different contexts together with the emerging challenges and responsibilities that African higher education in the twenty-first century is faced with. The analysis is put in light of the assumptions borrowed from the West for Western epistemologies and pedagogies are still dominant. Instead, the book presents a case on the need for rethinking pedagogies and epistemologies within African higher education that include African culture, values, ethics, and indigenous knowledge. The new obligations of inclusive education, decolonisation, transformation, and academic and professional experiences are of paramount importance for contemporary higher education. Valuable ideas about practices and policies in epistemological and pedagogical transformative mechanisms are discussed, which can be used to inform a decolonised teaching and learning.

curriculum most suitable for an African higher education system Above all the book goes beyond mere narratives as it explores decolonisation strategies suitable for transforming pedagogical and epistemological practices that include the education system as a whole *Legal pedagogy, practice and curriculum transformation: What does the future hold and look like?* Charles Maimela ,2025-07-18 In an era marked by rapid technological innovation and complex socio political shifts legal education stands at a critical crossroads This timely publication explores the imperative for a curriculum that is both responsive and resilient capable of adapting to the evolving needs of students institutions and society at large Blending theoretical analysis with practical insight the book offers forwardthinking strategies to navigate the multifaceted challenges of curriculum transformation Drawing on the lived experiences and reflections of law educators across diverse institutions it provides a unique lens into how curriculum innovation can enhance teaching learning and research in the legal academy More than a commentary this book is a call to action a vital resource for educators academic leaders and policymakers committed to ensuring the continued relevance excellence and social responsiveness of legal education in the 21st century

Higher Education and Sustainability Ulisses Manuel de Miranda Azeiteiro,J. Paulo Davim,2019-08-30 The book provides descriptions of experiences from research and educational sustainability projects and the role HEIs can play together with contributions presenting a variety of initiatives showing how SDGs are being implemented The book promotes the theoretical and practical understanding on this thematic and disseminates knowledge and international research and cooperation Contributions cover the role of SDGs in advancing implementation of sustainable development sustainability in higher education the role of universities in sustainable development new paths towards sustainable development and e learning contributions Features Focuses on theoretical and practical understanding on Sustainability Higher Education and SDGs to disseminate knowledge and promote research and cooperation Includes lessons learned from sustainability research and educational challenges presenting case studies technological developments outputs of research and studies best practices and examples of successful projects Discusses relevant and international perspectives on sustainability higher education and SGDs Presents local and international contributions on a variety of initiatives showing how SDGs are being implemented International Handbook of Distance Education Terry Evans,Margaret Haughey,David Murphy,2008-02-13 Distance education is arguably one of the major developments in education during the 20th Century This title explores the array of distance education theories and practices as they have been shaped by the late 20th Century and then positions these in terms of the contemporary circumstances of the 21st Century *Global Citizenship, Common Wealth and Uncommon Citizenships* ,2018-08-16 This set of essays critically analyze global citizenship by bringing together leading ideas about citizenship and the commons in this time that both needs and resists a global perspective on issues and relations Education plays a significant role in how we come to address these issues and this volume will contribute to ensuring that equity global citizenship and the common wealth provide platforms from which we might engage in transformational

collective work The authors address the global significance of debates and struggles about belonging and abjection solidarity and rejection identification and othering as well as love and hate Global citizenship as a concept and a practice is now being met with a dangerous call for insularism and a protracted ethno nationalism based on global economic imperialism movements for white supremacy and miscegenation various forms of religious extremism and identity politics but which antithetically also comes from the anti globalization movement focused on building strong sustainable communities We see a taming of citizens that contributes to the taming of what we understand as the public sphere and the commons the places of cultural natural and intellectual resources that are shared and not privately owned The work of global citizenship education is distinguishable from the processes of a deadly globalization or destruction of the world that responds to the interlocking issues that make life on the planet precarious for human and non humans everywhere albeit an unequal precarity This book is an invitation into a conversation that explores and makes visible some of the hidden chasms of oppression and inequity in the world It is meant to provoke both argument and activism as we work to secure common spaces that are broadly life sustaining Contributors are Ali A Abdi Sung Kyung Ahn Chouaib El Bouhali Xochilt Hernandez Carrie Karsgaard Marlene McKay Michael O Sullivan Christina Palech Karen Pashby Karen J Pheasant Neganigwane Thashika Pillay Ashley Rerrie Grace J Rwiza Toni Samek Lynette Shultz Harry Smaller Crain Soudien Derek Tannis and Irene Friesen Wolfstone
