*Residue Evaluation of Certain Veterinary Drugs* Food and Agriculture Organization of the United Nations, World Health Organization, 2018-05-29 This volume of FAO JECFA Monographs contains residue evaluation of certain veterinary drugs prepared at the 85th Meeting of the Joint FAO WHO Expert Committee on Food Additives JECFA held in Geneva 17 26 October 2017 This was the twenty fifth JECFA meeting specifically convened to consider residues of veterinary drugs in food The Committee elaborated principles for evaluating the safety of residues of veterinary drugs in food for establishing acceptable daily intakes ADIs and acute reference doses ARfDs and for recommending maximum residue limits MRLs for such residues when the drugs under consideration are administered to food producing animals in accordance

with good practice in the use of veterinary drugs GVP Furthermore the committee evaluated the safety of residues of eight veterinary drugs and responded to specific concerns raised by the Codex Committee on Residues of Veterinary Drugs in Foods The enclosed monographs provide the scientific basis for the recommendations of MRLs including information on chemical identity and properties of the compounds pharmacokinetics and metabolism residue depletion studies and analytical methods validated and used for the detection and quantification of the compounds This publication and other documents produced by JECFA contain information that is useful to all those who work with or are involved with recommending or controlling maximum residue limits for veterinary drugs in food      **Unlocking SME Finance in Asia** Naoyuki

Yoshino, Farhad Taghizadeh-Hesary, 2019-07-01 There is limited access for small and medium sized enterprises SMEs to bank credit This book proposes new and sustainable models to help ease the access of SMEs to finance and boost economic growth and job creation in Asia This book looks at the difficulties of SMEs in accessing finance and suggests ways on how to mitigate these challenges It suggests how we can develop credit information infrastructures for SMEs to remedy the asymmetric information problem and to utilize credit rating techniques for the development of a sustainable credit guarantee scheme The book provides illustrations of various Asian economies that implemented credit guarantee schemes and credit risk databases and is a useful reference for lessons and policy recommendations      *Disaster Forensics* Anthony J. Masys, 2016-09-03 This

book aims to uncover the root causes of natural and man made disasters by going beyond the typical reports and case studies conducted post disaster It opens the black box of disasters by presenting forensic analysis approaches to disasters thereby revealing the complex causality that characterizes them and explaining how and why hazards do or do not become disasters This yields systemic strategies for managing disasters Recently the global threat landscape has seen the emergence of high impact low probability events Events like Hurricane Katrina the Great Japan Earthquake and tsunami Hurricane Sandy Super Typhoon Haiyan global terrorist activities have become the new norm Extreme events challenge our understanding regarding the interdependencies and complexity of the disaster aetiology and are often referred to as Black Swans Between 2002 and 2011 there were 4130 disasters recorded that resulted from natural hazards around the world In these 1 117 527 people perished and a minimum of US 1 195 billion in losses were reported In the year 2011 alone 302 disasters claimed 29 782 lives affected 206 million people and inflicted damages worth a minimum of estimated US 366 billion      Garner's Modern

English Usage Bryan Garner, 2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner's Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are

malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted. The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available. In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources. No other resource provides as comprehensive, reliable, and empirical a guide to current English usage. For all concerned with writing and editing GMEU will prove invaluable as a desk reference. Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to, whether in word choice, syntax, phrasing, punctuation, or pronunciation. No matter how knowledgeable you may already be, you're sure to learn from every single page of this book.

### **Taxation in a Global**

**Digital Economy** Ina Kerschner, Maryte Somare, 2017-10-04. Time to discuss anti-BEPS measures around digitalization. In the course of the BEPS Report on Action 1, it was concluded that there was no instantaneous need for specific rules to address base erosion and profit shifting. BEPS made possible by the digitalization of enterprises and new digital businesses. At the same time, it was acknowledged that general measures may not suffice with the assessment of results to begin in 2020. While awaiting possible fundamental reforms of the tax framework, it is time to discuss anti-BEPS measures bearing in mind the peculiar features of the digital economy, such as increased mobility, no need for physical presence, and dematerialization. The book focuses on five key areas of interest: International Tax Policy, Tax Treaty Law, Transfer Pricing, Indirect Taxation, and Issues of EU Law. Taxation in a Global Digital Economy analyses the issues and addresses the five key areas of interest from various viewpoints.

**Health Promotion in Children and Adolescents through Sport and Physical Activities** Antonino Bianco, 2019-05-10. I made the important decision to manage a Special Issue because I believe it to be extremely important to focus on children's and adolescents' physiological and psychological development. I aimed to collect research that investigates the role of physical activity and sport on physical and mental well-being, with a particular focus on practical implications, innovation, tools, and technique. This Special Issue, *Health Promotion in Children and Adolescents through Sport and Physical Activities*, addresses pediatric exercise science as a key scientific discipline able to help future generations live longer and better. It is already clear that sedentariness and a low level of muscular strength and power significantly affects cognitive functions and daily relations, but it is interesting to understand the key determinants and how we can help practitioners better manage these concerns in their patients. Authors were invited to submit letters, original research papers, case studies, meta-analyses, and systematic reviews.

*Reluctant Celebrity* Lorraine York, 2018-01-17. In this book Lorraine York examines the figure of the celebrity who expresses discomfort with his or her intense condition of social visibility. Bringing together the fields of celebrity studies and what Ann Cvetkovich has called the affective turn in cultural studies, York studies the mixed affect of reluctance as it is performed by public figures in the entertainment industries. Setting aside the question of whether these performances are offered in good faith or not, York theorizes reluctance as the affective meeting ground of seemingly

opposite emotions disinclination and inclination The figures under study in this book are John Cusack Robert De Niro and Daniel Craig three white straight cis gendered male cinematic stars who have persistently and publicly expressed a feeling of reluctance about their celebrity York examines how the performance of reluctance which is generally admired in celebrities builds up cultural prestige that can then be turned to other purposes

### **Jan 2015 C1 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Jan 2015 C1 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Jan 2015 C1 has opened up a world of possibilities. Downloading Jan 2015 C1 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Jan 2015 C1 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Jan 2015 C1. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Jan 2015 C1. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Jan 2015 C1, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Jan 2015 C1 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
