Bluebeard Gothic Heta Pyrhönen,2010-03-20 Bluebeard the tale of a sadistic husband who murders his wives and locks away their bodies has inspired hundreds of adaptations since it first appeared in 1697 In Bluebeard Gothic Heta Pyrh nen argues that Charlotte Bront s 1847 classic Jane Eyre can be seen as one such adaptation and that although critics have been slow to realize the connection authors rewriting Bront s novel have either

intuitively or intentionally seized on it Pyrh nen begins by establishing that the story of Jane Eyre is intermingled with the Bluebeard tale as young Jane moves between households each dominated by its own Bluebeard figure She then considers rewritings of Jane Eyre such as Jean Rhys Wide Sargasso Sea 1966 and Diane Setterfield s The Thirteenth Tale 2006 to examine how novelists have interpreted the status and meaning of Bluebeard in Bront s novel Using psychoanalysis as the primary model of textual analysis Bluebeard Gothic focuses on the conjunction of religion sacrifice and scapegoating to provide an original interpretation of a canonical and frequently studied text *The Brontë Novels (Routledge Revivals)* W. A. Craik,2013-01-11 First published in 1968 this reissue of Dr Craik s critical appreciation of the completed novels of Charlotte Emily and Anne Bront is seminal for the way in which it shifts emphasis away from the Bront family biography towards a detailed critical analysis of the novels themselves Separate chapters are given to each of the seven novels The author s aims and techniques in each are assessed and Dr Craik shows what light the books throw on each other how they are related to the novels of the Bront s predecessors and how the Bront novels compare with their great contemporaries in the nineteenth century novel *Mood and Tense of the English Verb* Hendrik Poutsma,1922 **Feeling Global** Bruce Robbins,1999 Whether global culture is merely a pale and sinister reflection of capitalist globalization is among the questions addressed in this text on nationalism culturalism and the role of intellectuals in the age of globalization **The homely web of truth** Lawrence Jay Dessner,2018-12-03 No detailed description available for The homely web of truth
