The Relational Ethics of Narrative Inquiry D. Jean Clandinin, Vera Caine, Sean Lessard, 2018-03-15 Narrative inquiry is based on the proposition that experience is the stories lived and told by individuals as they are embedded within cultural social institutional familial political and linguistic narratives It represents the phenomenon of experience but also constitutes a methodology for its study At the heart of this methodology is relational ethics However until now the functioning of this key relationship in practice has remained largely undefined In this book the authors take on the essential task of developing a conceptual framework for the application of relational ethics to narrative inquiry Building on a corpus of more generalized research this book is grounded in a multi year study with indigenous youth and families The authors describe their experiences of narrative inquiry highlighting how relational ethics informed their negotiation of these research relationships They also engage in a conversation with the work of philosophers who have guided their narrative inquiry to offer a more thorough understanding of relational ethics Through this and contributions from five further studies on a diverse range of subjects a number of key points for successful relational ethics are isolated and expounded upon This book is an invaluable tool for researchers and postgraduates engaged in qualitative research providing clear and practical guidance on ethical concerns It also extends the work of the authors two previous titles *Engaging in Narrative Inquiry* and *Engaging in Narrative Inquiries with Children and Youth*

Poetry as Method Sandra L Faulkner, 2016-09-17 This book takes an interdisciplinary approach to using and creating poetry for conducting and reporting social research It includes examples of poetry interviews of poets and practical exercises that will enhance the discussion of poetry writing as a method When used as a teaching guide this book will encourage students to consider the importance of form and function in poetry for qualitative methods It also answers the question of how to teach the creation and evaluation of poetry it combats the perception that poetry is too difficult or mysterious to use as research and that only poets should be concerned with poetic craft

Duoethnography Joe Norris, Richard D Sawyer, Darren Lund, 2016-09-16 Duoethnography is a collaborative research methodology in which two or more researchers juxtapose their life histories in order to provide multiple understandings of a social phenomenon Using their own biographies as sites of research and creating dialogic narratives they provide multiple perspectives of this phenomenon for the reader inviting the viewer to enter the conversation The dialectic process of creating duoethnography is also designed to be transformative to the writers In this volume two dozen scholars present the first wave of duoethnographic writings on topics as diverse as gender identity and curriculum with the editors framing key tenets of the methodology around the studies presented This participatory emancipatory methodology is of interest to those doing qualitative research and narrative writing in many disciplines

Collaborative Autoethnography Heewon Chang, Faith Ngunjiri, Kathy-Ann C Hernandez, 2016-06-16 It sounds like a paradox How do you engage in autoethnography collaboratively Heewon Chang Faith Ngunjiri and Kathy Ann Hernandez break new ground on this blossoming new array of research models collectively labeled

Collaborative Autoethnography Their book serves as a practical guide by providing you with a variety of data collection analytic and writing techniques to conduct collaborative projects It also answers your questions about the bigger picture What advantages does a collaborative approach offer to autoethnography What are some of the methodological ethical and interpersonal challenges you ll encounter along the way Model collaborative autoethnographies and writing prompts are included in the appendixes This exceptional in depth resource will help you explore this exciting new frontier in qualitative methods
