Current and Historical Debates in Social Sciences: Field Studies and Analysis Emrah Doğan, 2020-10-24

Historical and current debates in social sciences mirror the reality of human existence. However, the reality and facts of human existence are also different from each other. At the same time, these phenomena in social sciences are multidimensional. In this sense, some of the human cases were included in this study. Besides historical and current analyses in this study, have been examined in other social science studies. The multidimensional perspective of the field of social science encourages re-examining the topics covered and revealing different trends. In this context, this study aimed to clarify light on the dark points in the field of social science by reconsidering the discussed or not discussed issues.
