

National Honor Society

William Mason High School
6100 South Mason Montgomery Road
Mason, Ohio 45040

August 2007

Dear Mason High School Student and Parent:

Thank you very much for inquiring about membership in the Mason High School National Honor Society. For a student to be eligible for National Honor Society there are certain specifications that he/she must meet including:

- **Scholarship:** Students who have a cumulative grade point average of 3.65 or higher meet the scholarship requirement for membership. *This GPA must be maintained throughout high school; students are inducted into NHS during the spring of their sophomore or junior school year.*
- **Service:** This quality is defined as a **commitment to service** demonstrated through the voluntary contributions made by a student to the school and community, done without compensation and with a positive, courteous, and enthusiastic spirit. *To qualify for consideration, candidates must have completed a minimum of 30 hours of documented community service excluding office/teacher aide. These hours should represent both school related and community-related endeavors and should reflect a commitment to service that has been accumulated over their freshmen and sophomore years in a period of time that is greater than three months.*
- **Leadership:** Student leaders are those who are resourceful, good problem solvers, promoters of school activities, idea contributors, dependable, and persons who exemplify positive attitudes about life. *Students write an essay describing any/all leadership role(s) they have held.*
- **Character:** The student of good character upholds principles of morality and ethics, is cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern and respect for others and generally maintains a good and clean lifestyle. *Students obtain recommendations from teachers and a community member.*

National Honor Society information packets will be distributed in school during the month of March of the student's sophomore or junior year to those who meet the academic (scholarship) requirements. There will also be an informational meeting held in early Oct. to answer any questions about NHS and what students should be doing.
