journey but you aren't fully equipped with the tools you need. The Spiritual Guidebook is a book designed for everyone who is new to or drawn to the path of spirituality. It is a practical guidebook full of information filled with terms, descriptions, ideas, and reflective practices to help you along your journey in reaching self-mastery. The Spiritual Guidebook differs from all others because it is a one-stop shop, easy to follow, spiritual book of information and how-tos. It is a complete blend of the different aspects that spirituality encompasses and it draws on the learning and active practices of author Rita Pietrosanto. Rita makes reference to numerous inspiring authors and well-known spiritual teachers such as Doreen Virtue, Eckhart Tolle, Gabrielle Bernstein, and Louise Hay. However, Rita incorporates her learning from all the spiritual teachers she has come across along her journey, some of which are not so renowned but are hidden gems. From clearing your crystals and clearing your chakras, connecting to your spirit guides, building on your intuition and learning to meditate, to programming pendulums and mastering the art of manifesting, The Spiritual Guidebook is an all-encompassing spiritual Bible for those starting on their journey.

Innerwealth Christopher Walker, 2003-04-02. *Innerwealth* is an exceptional insight into working with heart and inspiration. By integrating personal development, business development, global change, and life mastery into one philosophy, Chris Walker challenges the conventional way of managing our lives. *Innerwealth* offers a wealth of insights and advice to help us discover and harness our own spirituality and put this into practice in the way we work with others and the way we dream about our careers. This book is about business change through personal change. It is a rebuke at so much of what is being done at present in the name of good business, self-help, and cultural development. Chris Walker's aim has been to find a way of life which is REAL, non-denominational, solves world problems instead of making them, and is open and transparent. He achieves this using the universal laws of nature.
