

ENGLISH COMPULSORY SSC-II

Time allowed: 2:40 Hours

Total Marks Sections B and C: 60

NOTE:- Answer all the questions from Sections 'B' and 'C' on the separately provided answer book. Write your answers neatly and legibly.

SECTION – B (Marks 36)

Q. 2 Read the following passage carefully and answer any FIVE questions including Question No. (i) appended to it.

Note: Question No. (i) about summary writing is compulsory carrying 06 marks while rest of the questions carry 03 marks each. (6 + 4x3= 18)

In China the lunar calendar is still used to determine traditional holidays like Chinese New Year. Since the lunar calendar is based on the phases of the moon— which has a shorter cycle than the sun – Chinese New Year is never on the same day each year, but typically falls somewhere between January 21st and February 20th. Celebrations can actually last up to a month.

Here are some traditions associated with the Chinese New Year. Prior to the first day of the New Year it is customary for families to thoroughly clean their houses. Doing this is said to clear out any bad luck from the previous year and to make the house ready to accept good luck for the coming year. All cleaning must be finished before the New Year's Day so there is no chance of accidentally throwing out the good fortune of the New Year. Wearing black is not allowed due to its association with death, however, wearing red is encouraged as the colour is associated with warding off bad spirits.

Another popular custom is to hang up signs and posters on doors and windows with the Chinese word fu written on them, which means luck and happiness. Buying flower for the home is also common since they symbolize the coming of spring and a new beginning.

On the eve of the Chinese New Year it is customary to visit relatives and partake in a large dinner where a number of specific foods are served. It is typical for a Chinese family to make eight to nine dishes for the New Year's eve Dinner because in Chinese language the word "eight" means 'prosperity' and the word "nine" means 'long lasting'.

Questions:

- (i) Summarize the given passage. Also suggest a suitable title to it. (Compulsory)
- (ii) Why is Chinese New Year never on the same day each year?
- (iii) What is the Chinese belief about cleaning houses before the new year day?
- (iv) What is the Chinese myth associated with black and red colours to wear on New year?
- (v) What is the symbolic significance of word "fu"?
- (vi) Why does New Year's Eve dinner consist of eight or nine dishes?
- (vii) Give the Synonyms of the words that are underlined in the passage. (Any three)

Q. 3 A. Paraphrase any ONE of the following stanzas:

(02)

I. If you find your task is hard.
Try again;
Time will bring you your reward,
Try again;
All that other folks can do,
Why with patience should not you?
Only keep this rule in view,
Try again.

OR

II. I hear leaves drinking rain;
I hear rich leaves on top
Giving the poor beneath
Drop after drop;
'Tis a sweet noise to hear
These green leaves drinking near

B. Read the following poem/stanza carefully and answer the questions appended to it:

I. The wind is now a roaring, smashing
Monster of destruction, raking all man's work
From the valleys, from the vales,
And sends them spinning, broken flying

Questions:

- (i) Give the examples of imagery and metaphor from the given stanza.
- (ii) With what is wind compared? What does the wind do?
