Abstract

1. Candidates are asked to write on their own copy.
2. The above text shows the steps we can take to make the report card more transparent. But we also need to ensure the candidates' own interpretation.
3. Making sure the candidate understands the importance of the candidate's own input for the report card, even if they are not using the report card.
4. We can provide candidates with a copy of the report card and a copy of the report card (or a copy of the report card) to ensure they are aware of the report card.
