Report of the Presidential Commission of Inquiry Into Education and Training Zimbabwe. Presidential Commission on Education and Training in Zimbabwe,1999

Beyond the Enclave Godfrey Kanyenze,Timothy Kondo,2011-07-26 Beyond the Enclave sets out to unravel the contradiction of a country Zimbabwe where a rich diverse resource base co exists with endemic poverty One reason lies in the colonial economy which was predicated on an ideology of white supremacy creating an enclave formal economy employing one fifth of the labour force Yet over three decades after independence the non formal segment has become even more entrenched This book assesses Zimbabwes economy through

three main phases 1980 90 when a strong social policy framework proved difficult to sustain due to erratic growth and 1991 96 when structural adjustment demanded a market driven approach to development The third phase is characterized by crisis management leading to policy inconsistencies and reversals Not surprisingly such incoherence saw the economy descend into hyperinflation and paralysis in 2007 2008 leading to the signing of the Global Political Agreement in September 2008 In the absence of formal dollarization economic recovery after the adoption of the multi currency regime has remained fragile leaving an estimated 70 per cent of the population outside the banking system This has further entrenched uneven enclave growth as the economy remains locked in a low income poverty trap There is a need to facilitate transition towards formality to promote decent jobs Furthermore a strategic developmental role for the state in the economy is now widely recognized as vital for development Beyond the Enclave argues for a new approach to development in Zimbabwe based on pro poor and inclusive strategies which will contribute to the well being of all of its citizens and wise stewardship of its resources It offers suggestions on policy formulation implementation monitoring and evaluation in all sectors designed to promote inclusive growth and humane development
