the people and processes that made it all happen *Aberdeen-Angus Journal* ,1922 **Way of the Lord** Riaan Engelbrecht,2024-05-10 If we seek to find true life we need to walk in the ways of God s Kingdom We need to seek the Kingdom above all else We can only walk in the manifested reality and glory of the Kingdom once we walk by Spirit implying surrendering first our kingdom laying down our crown and denying the Self If we seek His Kingdom then our kingdom our ways agendas ideas needs to be surrendered What we believe to be truth to be the right way or the correct path needs to be surrendered as we seek the true way of the Lord which is the Way of the Kingdom Jesus said He is the Way Truth and Life meaning He is the WAY of the Kingdom and if we seek the Kingdom then we need to follow the Lord Jesus in spirit and truth For then we shall walk in God s order and His will We are called by Jesus to walk the narrow road to deny the Self to take up the Cross and to love the Lord above all There is no other way except in Jesus for sustained life in spirit soul and body Not the way of money Not the way of status or power We need to know and discern the ways of the Lord and to follow His path which leads to quiet rivers and green pastures In God there is hope joy and love As we follow Him we follow the way to spiritual peace belonging and restoration Grafted Robert Keck,2022-05-31 The purpose of this book is to share a simple guide to what the Torah to guide or teach tells us about living life the way God wishes When I began to study my Hebrew roots I do not believe I am a Jew though I could be the ten tribes of the house of Israel never returned from captivity and assimilated into the societies they were taken to I m happy to acknowledge that I may only be a stranger that sojourneth among you Exodus 12 49 I could not find a simple list of things that said Do this eat that etc so I wrote this one Jesus admonished the Pharisees for teaching traditions Talmud and obscuring the law Torah through their religious edicts and practices God said that His Commandments are not difficult but over the centuries Jewish leaders have added to God s statutes as a way of helping the Jewish people to avoid close proximity with sin The intentions initially were good but the practices became a religion unto themselves and the Jews lost the message of God s love in the endless procedures and rules proscribed by the Talmud Jesus kept the entire law as did the apostles Paul Peter James Stephen et al We err when we teach that Christianity is something new Neither Jesus nor the apostles ever advocated anything new They remained committed Hebrews all their days and to teach otherwise is not only wrong but also calamitous to our Christian walk One ordinance shall be both for you of the congregation and also for the stranger that sojourneth with you an ordinance for ever in your generations as ye are so shall the stranger be before the LORD Numbers 15 15 16 see also Romans 11 16 27 **The Mosaic Law** Duke F. McGee,2016-09-22 Too many times we read books articles or papers on Christianity and we are left to wonder where the author is coming from or what his approach is for interpreting scripture So right here at the start I would like to declare my method of interpretation and on which translation of the scripture I rest First I take the Word of God scriptures to be infallible inerrant and without contradiction I believe that God said what he meant and meant what he said and it is our task and responsibility to rightly divide the Word of truth On all matters of life and spirit the scripture is the final authority in

saying this the scripture will be the primary source material for the whole of this paper When speaking of the scripture I am referring to the authorized version 1611 I believe this is the preserved Word of God for the English speaking people I realize this is another hotly debated topic and we do not have the time or the space to debate it here as this would be a distraction from the main topic I will say though outside of textual criticisms biblical preservation manuscript evidence dynamic or formal equivalence translation and a host other topics in this debate it all comes down to this who is the final authority We as Christians need to take a stand we need to pick a version or translation that we believe is the Word of God and say Thus saith the Word of God If we do not we set ourselves up as the final authority and not God we dont like how one version says something so we go to another and another until we find one that says what we want or that proves our point This is not being transformed by the Word of God but making the Word of God conform to us and our biases It is a matter of faith
