Improving School Board Effectiveness

Thomas L. Alsbury,Phil Gore,2017-11-14 Improving School Board Effectiveness offers a clarifying and essential look at the

evolving role of school boards and how they contribute to efforts to improve student learning It examines how board

members can establish effective district priorities and it explores those board policies and actions that result in shared

districtwide commitments to heightened student achievement This book arises out of a critical need for a better

understanding of school boards and the development of helpful tools and guidelines for school board members At its heart is

the notion of Balanced Governance a principle that most generally balances the authority of a superintendent to lead a school

district with the necessary oversight of a locally engaged and knowledgeable board Improving School Board Effectiveness is

a helpful and practical book that will prove indispensable for school board members school and district administrators and

everyone with a stake in school improvement and reform
