Essentials Of Firefighting Study Guide:

Essentials of Firefighting Beth Ann Fulgenzi, 2008 This study guide may be used to supplement both the basic Essentials of Fire Fighting 5th edition manual and the Essentials of Fire Fighting and Fire Department Operations 5th edition manual The questions contained in this study guide are intended to help students check their own learning progress as they read the book and advance through it or a training course Questions are provided in a multiple choice format because it is the most common type of question format used in fire service testing processes The heavy duty wire binding allows the study guide to lay flat The questions in each chapter are separated into Fire Fighter I and II sections so that students can focus on the level they are currently pursuing The questions also reference the page where the relevant information may be found in the main manuals The answers are listed in the back of the manual according to chapter and level
