

Europress Tooling Care Guide

Thank you for choosing us, we are in the high quality, German manufactured Europress pressing tools. These tools house unparalleled technology which upholds the integrity of the Europress system and give you peace of mind in your installations. There is no substitute for quality.

Firstly, the following is only intended as a guide to help you maintain the life of your investment. All repairs and servicing should be carried out by an approved service agent.

Care for the pressing tool

1. It is recommended the Europress tools are serviced by an approved service agent at least every two years or 15,000 presses. The tools have an inbuilt alert system to advise when a service is due. Alternatively, Waterworks has software to download an operation log from the tooling which can be used to determine service intervals. If tooling is being used regularly it would be a good idea to do an annual service.
2. The tooling has inbuilt warning signals and alarms. If you notice a light flashing or an alarm sounding refer to the below guide:

 Red light	 Alarm will sound	 Audible alarm	Alarm	Alarm
 On line				 Battery low, charge before system press
 On			Other warning features	Self check, On line on
