Children at the Center Betty Bardige,Megina Baker,Ben Mardell,2021-03-09 Children at the Center provides a closely observed account of a decade long effort to reshape the scope direction and quality of the Boston Public Schools early childhood programs Drawing on multiple perspectives and voices from the field the authors highlight the reflective collaborative inquiry driven approach undertaken by the program and share lessons learned Boston Public Schools are recognized for embedding high quality public preK programs in their system and achieving exceptional results In this book the authors outline the core principles that underlie the district s early childhood programs and explore the role of curriculum professional development coaching and data use in supporting these new initiatives They show how the Boston Public Schools Department of Early Childhood was able to work with and against the constraints of the current accountability system to create a holistic child centered play based program that has had a significant impact in narrowing income based learning gaps Written in collaboration with the Department of Early Childhood Education this account of creating successful preK programs in a diverse urban district will provide a valuable resource for practitioners engaged in similar work across the country Reinventing Schools Charles M. Reigeluth,Jennifer R. Karnopp,2013-07-01 Since A Nation at Risk was published in 1983 there has been widespread recognition that public education is failing in the U S Numerous expensive reforms have been attempted to no avail and costs have increased dramatically Furthermore economic austerity requires educational systems to do more with less This book presents convincing evidence that paradigm change such as the change of lighting systems from the candle to the light bulb is the only way to significantly improve student learning and simultaneously lower costs The authors provide a thought provoking vision of the new paradigm including a new brain based pedagogy a new professional role for teachers a new central role for technology and even a new more empowered role for

students and parents The authors also describe three examples a school a school district and a school model that have implemented many features of the new paradigm along with evidence of their effectiveness Finally this book describes ways we can transform our Industrial Age school systems to the new paradigm including ways our state and federal governments can help The Flavor of Colorado Colorado State Grange,1992 **Play from Birth to Twelve** Doris Pronin Fromberg,Doris Bergen,2015-03-02 In light of recent standards based and testing movements the issue of play in child development has taken on increased meaning for educational professionals and social scientists This third edition of Play From Birth to Twelve offers comprehensive coverage of what we now know about play and its guiding principles dynamics and importance in early learning These up to date essays written by some of the most distinguished experts in the field help educators psychologists anthropologists parents health service personnel and students explore a variety of theoretical and practical ideas such as all aspects of play including historical and diverse perspectives as well as new approaches not yet covered in the literature how teachers in various classroom situations set up and guide play to facilitate learning how play is affected by societal violence media reportage technological innovations and other contemporary issues play and imagination within the current scope of educational policies childrearing methods educational variations cultural differences and intellectual diversity New chapters in the third edition of Play From Birth to Twelve cover current and projected future developments in the field of play such as executive function neuroscience autism play in museums small world play global issues media and technology The book also suggests ways to support children s play across different environments at home in communities and within various institutional settings Resources in Education ,1996 **Cincinnati Magazine** ,2003-04 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Normal Instructor** ,1915 *The Kindergarten-primary Magazine* Bertha Johnston,E.
