of the Son of God The book THE KING IS COMING will become an excellent resource for study groups in the local church as well as for studying and teaching in the home during devotional times The books target group seems to be for teenagers and adults but the beautifully illustrated pictures will appeal to children and can be used by church leaders and parents to draw the attention of children into the study which can be told on their age level I look forward to many people being reached for Christ as they study this Scriptural presentation of the KING who is coming and whos coming may be very soon Roy S Faulkner Director of Missions Laurel River Baptist Association London KY 40741 **The Cave of Treasures** St. Ephrem the Syrian, This text is attributed to Ephrem Syrus who was born at Nisibis soon after AD 306 and died in 373 but it is now generally believed that its current form is 6th century or newer The assertion that the Cave of Treasures was written in the 4th century is supported by the general contents of the work These reproduce Ephrem s peculiar methods of exegesis and supply many examples of his methods in religious argument with which we are familiar from his other writings His pride in the antiquity of the Syriac language also appears in this work That it was written in Mesopotamia by a Syrian there is no doubt and if Ephrem was not the original author or perhaps later editor belonged to the school of Ephrem The oldest Christian work on the history of God s dealing with man from Adam to Christ is probably the anonymous Conflict of Adam and Eve with Satan which in its original form is from the 5th or 6th century AD The writer of the Cave of Treasures borrowed largely from the Conflict of Adam and Eve or shared a common source with it The Anointed One Ramin Pourfarzib PhD,2022-04-17 Why do people reject Jesus as their Messiah There are many reasons a lack of understanding of the Bible belief that the Messiah has not come yet but will come the idea that the New Testament was fabricated or belief that humans do not need salvation No matter the reasons for rejecting or accepting Jesus it is vital to know the facts The Anointed One examines ten common objections given in response to the fulfillment of the messianic prophecies through Jesus Christ and then provides biblical and historical evidence to address these issues Some of these objections include the following The New Testament was corrupted over time There is no mention of Jesus in the Old Testament Jesus did not fulfill the messianic prophecies Jesus was a false prophet Jesus along with His disciples fabricated the scriptures in the New Testament In contradicting these points this study presents intelligent honest fair and direct responses to these belief systems using the Hebrew scriptures and the Christian Bible It cites a significant amount of scripture and features testimonies from Jewish rabbis and individuals who have accepted Jesus as their Messiah Offering solid evidence for the case that the messianic prophecies were fulfilled through Jesus the Anointed One this study invites you on a journey to pursue and seek the truth

Beware of False Religions & Pagan Traditions Part 3 Helene Fulton, 2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces **NIV Application**

The Collateral Bible William McCorkle, Ezra Stiles Ely, Gregory Townsend Bedell, 1826

The Virgin Birth Myth Gerald Sigal, 2013-02-19 The author of the Gospel of Matthew sought to portray alleged events in the life of Jesus as fulfillments of biblical passages Ample evidence has shown that there is no validity to his claims Lukes author merely states that a virginal conception took place Both present a story their readers can relate to from the familiar Hellenistic worldview a god impregnates a virgin thereby sending his hybrid son into the world to do a certain task Matthew and Luke are not the originators of the core belief that a virginal conception took place According to the Gospels Mary conceived as a divinely impregnated virgin betrothed to a Davidic descendant named Joseph If there was no biological relationship between Joseph and the child Mary bore the story presented is not pertinent to the claim that Jesus is the Davidic Messiah on the basis of Josephs lineage That Matthew and Luke solely through Joseph trace Jesus lineage in two variant forms becomes a meaningless exercise As it became clear that attempts to connect Jesus to David through Joseph were futile efforts were made to make the connection through Mary by claiming one or the other genealogy was really hers It is to no avail This too has failed What most Christians do now is live in a theological state of denial maintaining that there are no real problems only unbelievers quibbling over minor points Alas What else can Christian believers do but hide their heads in a theological sand box and blame quibblers

Muhammad Is Not the Father of Any of Your Men David S. Powers, 2011-06-03 The Islamic claim to supersede Judaism and Christianity is

embodied in the theological assertion that the office of prophecy is hereditary but that the line of descent ends with Muhammad who is the seal or last of the prophets While Muhammad had no natural sons who reached the age of maturity he is said to have adopted a man named Zayd and mutual rights of inheritance were created between the two Zayd b Muhammad also known as the Beloved of the Messenger of God was the first adult male to become a Muslim and the only Muslim apart from Muhammad to be named in the Qur an But if prophecy is hereditary and Muhammad has a son David Powers argues then he might not be the Last Prophet Conversely if he is the Last Prophet he cannot have a son In Muhammad Is Not the Father of Any of Your Men Powers contends that a series of radical moves were made in the first two centuries of Islamic history to ensure Muhammad s position as the Last Prophet He focuses on narrative accounts of Muhammad s repudiation of Zayd of his marriage to Zayd s former wife and of Zayd s martyrdom in battle against the Byzantines Powers argues that theological imperatives drove changes in the historical record and led to the abolition or reform of key legal institutions In what is likely to be the most controversial aspect of his book he offers compelling physical evidence that the text of the Qur an itself was altered The Scofield Study Bible Oxford University Press,2005 This edition combines the renowned Scofield study notes and reference system with the New American Standard Bible a translation celebrated for accurately communicating the meaning of the original text Dr C I Scofield s reflections on the Word of God have been augmented and enhanced not revised to make the classic teachings of these annotations clearer to today s reader An abundance of factual information is presented in topical articles charts and lists that add in depth understanding to your study time The New Testament, Arranged in Chronological&historical Order.
