Centauriad #1: Daughter of the Centaurs Kate Klimo,2012-01-24 A new character joins the ranks of powerful kick ass heroines such as those written by Tamora Pierce Kristin Cashore Esther Freisner and Robin McKinley Malora Ironbound A great read also for anyone who loves horses and the Greek myths Malora knows what she was born to be a horse wrangler and a hunter just like her father But when her people are massacred by batlike monsters called Leatherwings Malora will need her horse skills just to survive The last living human Malora roams the wilderness at the head of a band of magnificent horses relying only on her own wits strength and courage When she is captured by a group of centaurs and taken to their city Malora must decide whether the comforts of her new home and family are worth the parts of herself she must sacrifice to keep them Kate Klimo has masterfully created a new world which at first seems to be an ancient one or perhaps another world altogether but is in fact set on earth sometime far in the future *The Time Before Time* Kent Kuneke,2015-12-11 Michael and the angel army return to Earth to put an end to Satans ruination of Gods creations They reunite with the Legends of Old meet new friends and face new enemies leading up to the ultimate battle with Satan and his demons

The Breeders AJ Underkofler, 2016-07-07 The Breeders By AJ Underkofler It is the year 2015 For centuries people have lived and died with the knowledge that some animals live only in myths and legends There are a small number of people who know these animals lived not only in our history but they live in our lifetime as well Some of these people belong to groups that help keep them secret some of them are trying to expose those secrets and then there are the ones whose lives are dedicated to protecting these animals They are the breeders When new restrictions become imposed on the families who breed these mystical creatures they must work to protect their livelihoods and their families After officials begin enforcing these rules with physical power and intimidation the families must decide how to move forward When the adults fail to stand up against the powers their children must be the ones to launch a revolution to save themselves the animals and the world they know *Necessity and Meaning* Judith Jarvis, 1959 *Fight For Survival* Eric Pavlik, 2023-01-30
