

The background of the cover is composed of four distinct histological images. The top-left image shows a dense, fibrous tissue with a yellowish-orange hue. The top-right image is a low-magnification view of a tissue section with a purple and pink color scheme. The bottom-left image is a high-magnification view of glandular structures, likely from the prostate, stained with hematoxylin and eosin. The bottom-right image shows a high-magnification view of a tissue section with a purple and pink color scheme, possibly showing cellular details.
