**A Nazzy House Boy** Danny Warren,2018-07-30 This is a book about the early life of a child who was delivered into the care of nuns and stayed with them up to the age of sixteen It is a true story that attempts to highlight the kind of issues that caused that time with the nuns to perhaps be more uncomfortable than it should have been It explains in the writers own words the conditions and the abuse that made life inside in that institution less harmonious than it should otherwise have been It is not presented in any way as a hate mag nor does it attempt to knowingly disparage the work of the nuns in that place or the intentions of their mission in life as a whole It is certainly designed to present an unvarnished statement of conditions at the time that the writer lived there and it may be a reminder to all previous residents who were forced to live and suffer under the same conditions

**Blind Man in Africa** Cass Cassidy,2014-06-30 Is Africa now being re colonized by the upcoming powerful nations Can we afford to stand by Or is it already too late Cass Cassidy has travelled worked and lived in Africa and discovered the contrasting ways of everyday life with very different values put even on life itself When Cassidy lived there African states had been de colonized for a decade or two Unfortunately by removing himself from affairs the colonist had inadvertently created a power vacuum The arbitrator had gone and there was nothing in the arsenal to replace it The boundaries and borders had been changed so the power struggle in the form of tribalism began and continues to this day many years after independence This book is a first hand account of just what this has meant to the average African who has been sadly let down as dreams of independence are shattered time and time again

**Wit's End** Sean Zwagerman, 2010-04-25 In Wit's End Sean Zwagerman offers an original perspective on women's use of humor as a performative strategy as seen in works of twentieth century American literature He argues that women whose direct explicit performative speech has been traditionally denied or not taken seriously have often turned to humor as a means of communicating with men The book examines both the potential and limits of women's humor as a rhetorical strategy in the writings of James Thurber Zora Neale Hurston Dorothy Parker Edward Albee Louise Erdrich and others For Zwagerman these texts talk back to important arguments in humor studies and speech act theory He deconstructs the use of humor in select passages by employing the theories of J L Austin John Searle Jacques Derrida Shoshana Felman J Hillis Miller and Eve Kosofsky Sedgwick Zwagerman offers arguments both for and against these approaches while advancing new thinking on humor as the end both the goal and limit of performative strategy and as a means of expressing a full range of serious purposes Zwagerman contends that women's humor is not solely a subversive act but instead it should be viewed in the total speech situation through context motives and intended audience Not strictly a transgressive influence women's humor is seen as both a social corrective and a reinforcement of established ideologies Humor has become an epistemology an attitude or slant on one's relation to society Zwagerman seeks to broaden the scope of performativity theory beyond the logical pragmatism of deconstruction and looks to the use of humor in literature as a deliberate stylization of experiences found in real world social structures and as a tool for change Zwagerman contends that women's humor is not solely a subversive act but instead it should be viewed in the total speech situation through context motives and intended audience Not strictly a transgressive influence women's humor is seen as both a social corrective and a reinforcement of established ideologies Humor has become an epistemology an attitude or slant on one's relation to society Zwagerman seeks to broaden the scope of performativity theory beyond the logical pragmatism of deconstruction and looks to the use of humor in literature as a deliberate stylization of experiences found in real world social structures and as a tool for change **False Self** Linda Hopkins, 2018-04-24 In this book clinical psychologist Linda Hopkins offers a balanced view of Masud Khan's rich and extremely problematic life presenting transcripts of interviews with analysands and supervisees who describe Khan's
