

Title of the  
story

### Army of Ants

**1** Today, my English paper finished early. While waiting to submit the paper, I had a nice time observing an army of ants on the right hand side wall of the classroom. A red headed fat ant seemed to be the commander and was ordering the rest of the ant army. **2** Then, they started moving in a disciplined manner. Then I noticed a dead bee, lying on the floor near the teacher's table. The army of ants seemed to be determined to carry that bee to their shelter. One thing that the army of ants was their unity. Definitely unity is the key to team had success. The ants were working in a united way and their coordination with one another helped them to carry that body – much bigger and heavier than that of their own. Finally they reached at their destination with that bee. Indeed, group work can be effective when work is done with a team spirit.
