performance the 1970 1974 Barracudas and Challengers were every bit the measure of the Ford and GM offerings By 1971 the handsome Barracuda had established itself as one of the best performing cars in the marketplace Ordering the Cuda owners could lay waste to Mustang and Camaro owners with such stout engine packages as the 440 6 and 426 Hemi Sales numbers never did match that of its cross town rivals but in the end the 1971 Cuda won the war No other mass production Pony Car can consistently claim asking prices of 2 000 000 its top model in today s prices As in all In Detail Series books you get an introduction and historical overview an explanation of the design and concepts involved in creating the car a look at marketing and promotion an in depth study of all hardware and available options as well as an examination of where the car is on the market today Also included are paint and option codes VIN and build tag decoders as well as production numbers
