**Research Methodology and Quantitative Techniques** K.A.

Varghese, B.R. Ranwah, Nisha Varghese, Nikhil Varghese, 2025-02-26 Research Methodology and Quantitative Techniques is a guide tailored for students and research scholars navigating the intricate landscape of research degrees across various disciplines. From clearing coursework to formulating research synopses, selecting methodologies, conducting analysis, and penning impactful theses, this book is a roadmap for every stage of the research journey. It empowers scholars to undertake original quality research that not only fulfills academic requirements but also contributes to the burgeoning pool of knowledge in diverse fields. Uniquely structured to address the specific needs of researchers, this guide goes beyond traditional boundaries, delving into areas like IPRs and research ethics often overlooked in discipline-oriented texts. By offering comprehensive support from topic selection to publication, it aims to be the go-to resource for researchers seeking a seamless path from inception to dissemination. This book, Research Methodology and Quantitative Techniques, addresses every facet of research with clarity and insight and serves as both a companion and a vital tool for scholars poised to make a meaningful research impact in their fields.
