The HP LaserJet 9000 series is one of a new generation of internet-enabled devices, offering general office users in demanding workgroup environments outstanding high volume performance from a proven reliable platform.

- Save valuable time and improve workgroup productivity with 50* pages per minute throughput at highest resolution, ensuring excellent print and copy quality for great looking documents and a fast first page out in less than 8 seconds.
- Experience a new dimension in remote hardcopy management and greatly improve overall productivity, with easy to set up, configurable alerts via e-mail, printer/mfp settings which can be changed remotely, and consumables and support ordered and managed online.
- With its low total cost-of-ownership the HP LaserJet 9000 series leads in value for money, delivering unmatched performance with more functionality, flexibility and scalability than ever before.

Setting a new performance standard for the general office.

- Enjoy rapid job processing with a fast 300 MHz processor and standard memory of 64 MB RAM (128 MB RAM and 1.0 GB hard disk standard with the mfp), so even complex documents print quickly.
- With a duty cycle of up to 300,000 pages per month, the device is designed to exceed the needs of most demanding business environments.

Utilize the full potential of the internet.

- Remote management with the HP LaserJet 9000 series lets you have full control at the touch of a button. You can easily change any individual device's configuration settings, and monitor the status, so no matter where it is located, you can manage it remotely across the network, via the intranet or internet.
- Use, maintenance and support are easier than ever, with intuitive and very simple installation and configuration, printer driver compatibility, and an improved control panel.
- You have better support with immediate access via the web to extensive self-help information, so you can identify any problems and solve them easily.
- You can set up e-mail alerts configured to specified recipients for more efficient control of supplies and service, and new features and functions can be added in the future.
- You can benefit from new printing e-services using the CHa/VM (embedded virtual machine). This technology also allows you to have tailored solutions developed to make your appliance perform specific business tasks.

A wealth of versatile solutions for workgroup printing in the general office

- Achieve professional results for complex documents which require finishing, as the HP LaserJet 9000 series supports a wide range of paper handling devices, including a standard 2000-sheet high capacity input tray, an optional 3000-sheet output offset stacker, 3000-sheet stapler/stacker and a multifunction finisher with booklet making functionality.
