A Hustler's Fantasy 3 Shameka Jones, 2016-12-22 With the snitch gone and FEDs off his back Langston is finally able to focus on becoming a family man and giving Yaniyza and Imani the life they deserve There s just one last thing he has to do before he can completely wash his hands of the drug game turn the connect over to one of his boys That one key move is the beginning of Langston closing the chapter on his past but focusing on his future is a lot easier said than done especially when Brooke reappears and drops a hint that his boys might be headed for certain disaster Although Langston s relationship with his mother Pam is slowly growing he knows that he has to put his pride to the side and rebuild his extended family especially with him and Yaniyza bringing a new baby into the mix Langston is all for bonding with his siblings but he is still on the fence about repairing things with his absentee father Quinton Sr Trust and forgiveness are Langston s main focus but when it comes to matters of the heart it will take more than his boys to make him forgive Toot for a very personal betrayal and Pam might have just the thing to give Langston a new perspective on moving forward Yaniyza is getting ready to deliver her and Langston s first baby but with Montrez giving her hell about Imani every chance he gets it s a daily struggle to keep the stress from sending her into an early labor When Niy proposes a reasonable compromise to keep the peace with Montrez Langston s temper pushes Yaniyza head first into a war over Imani with Montrez While things seem to be headed for sure destruction in one aspect of her life things are looking up for the renewed relationship she s building with her father Don Her father and Langston have even managed to iron out their differences and are on the same page but just as Yaniyza is slipping back into her daddy s girl groove Don hits her with the last thing she expected leaving her unborn s fate delicately hanging in the balance While their lives finally seem to be coming together for the better Langston and Yaniyza s friends are a different story Yaniyza tries to remain neutral and keep her distance from Shanie to stay out of things but one small lie quickly snowballs into a full blown fight for Ro s affection which lands Langston and Yaniyza in the middle of the same drama they were trying to avoid When it all hits the fan friendships and loyalties are called into question shattering the very peace that Langston and Yaniyza have fought so hard to keep Join the crew for one last ride as just about everyone finds themselves
