# CALCULUS

Multivariable  
THIRD EDITION

ROGER LIPSETT

An abstract, artistic illustration in shades of blue and white. It features a series of thick, flowing, and overlapping loops that resemble a ribbon or a liquid trail. The pattern starts from the left side and moves towards the bottom right, creating a sense of dynamic movement and depth. The lines are somewhat irregular and hand-drawn in style, with varying thicknesses and some internal shading to give it a three-dimensional appearance.
