Mattox,Stephen M. Grenier,2015-12-02 This book examines the experiences of a range of countries in the conflict in Afghanistan with particular focus on the demands of operating within a diverse coalition of states After laying out the challenges of the Afghan conflict in terms of objectives strategy and mission case studies of 15 coalition members each written by a country expert discuss each country s motivation for joining the coalition and explore the impact of more than 10 years of combat on each country s military domestic government and populace The book dissects the changes in the coalition over the decade driven by both external factors such as the Bonn Conferences of 2001 and 2011 the contiguous Iraq War and politics and economics at home and internal factors such as command structures interoperability emerging technologies the surge the introduction of counterinsurgency doctrine Green on Blue attacks escalating civilian casualties and the impact of the Provincial Reconstruction Teams and NGOs In their conclusion the editors review the commonality and uniqueness evident in the country cases lay out the lessons learned by NATO and assess the potential for their application in future alliance warfare in the new global order      **Enduring Freedom, Enduring Voices** Michael G. Walling,2015-01-20 Michael Walling has honored the American men and women who served in Operation Enduring Freedom by helping them tell their own stories This is the war in Afghanistan as experienced by the people who fought it General Tommy R Franks Ret The war in Afghanistan has seen men and women thrown into America s longest sustained combat operation For over 13 years US military personnel have been embroiled in a conflict unlike any other in a hostile country where danger and death lurk at every turn The nature of the fighting has transformed not only the entire structure of the US military but the lives of every

soldier sailor marine coast guardsman and airman who served there There have been many tales told of this most recent Afghan war but until now no single work has combined the strategic view of high level commanders with the perspective of soldiers on the ground This book places the first hand accounts of serving men and women into the context of the military operations Drawing on gripping oral histories from theater commanders Special Forces troops reconstruction teams and everyday soldiers Michael G Walling analyzes operations as they were experienced by individuals from those immediately following 9 11 through to those in 2014 as US troops prepared to withdraw He also charts the evolution of US military structure as it was forced to adapt to cope with the non conventional but nonetheless deadly threats of asymmetric warfare as well as detailing covert ops infrastructure rebuilding and the training of Afghan forces Resonating across gender age nationality and ethnicity this book is not just a document of US fortunes in a far flung conflict It is a tribute to the determination heroism sacrifice and the strength of the human spirit
