## **Knotted With The Wolf Bbw Werewolf Erotica English Edition:**

Wolf In Disguise: Never Forgotten Jodie Sloan, 2015-06-26 Sal has learned why Josh left her so long ago without any explanation. It's not exactly what she thought it would be and in her mind it was another woman or a commitment issue. What she learns instead is that he is a werewolf, a man that turns into this creature once a month during the full moon. Instead of shying away from it, she embraced it and even asked him to change her into one of them. He was reluctant at first but eventually her persistence paid off and they became more than just a couple; they became a family. They had no idea that a man was watching them as they changed for the first time, showing off her baby bump and moving into the woods for her first hunt. Josh has been very secretive about his past and even family life. Sal believes that he is hiding something from her and has taken it upon herself to dig into his family tree. Josh, on the other hand, feels that the past should be left where it is and never wants to speak of his family or of the past again. Unfortunately, these things tend to raise their ugly head at the wrong moments. His love for her will be tested when she betrays him and brings to their doorstep a long lost family member. It will be a sister named Sheila, a woman that has been searching for her brother for a very long time. It is a strained relationship between the two of them and even though Sal pries about their family, neither one is willing to speak of it. If she thought that becoming a werewolf was going to be her biggest obstacle, she is about to find out that there is a lot more to Josh than just the change on the full moon.

Wolf In Disguise: The Past Bites Jodie Sloan, 2015-06-18 Sal and Josh are well on their way to having a little one of their own but now they have to contend with Lucas and his son Reginald. Lucas has a bone to pick with Josh and this time he doesn't mind getting his own hands dirty. Josh will have to face a man that he called friend at one time but then things change drastically when he took on the proposition of saving his friend's life. Unfortunately, things did not go as planned and his decline in health is rapidly getting closer to his own demise. This is Lucas' way of evening the score but just how far is he willing to go? Does Josh have it in him to kill his best friend or will he have to sacrifice his one true love and the baby?
