In September 2019, the UN Secretary General urged all sectors of society to mobilize for a decade of action on three fronts: global action to ensure increased leadership, increased resources and smarter solutions for the Sustainable Development Goals; local action to embed the necessary transitions into governments' policies, budgets, institutions and regulatory frameworks; and international action to ensure greater leadership, increased resources and smarter solutions for the Sustainable Development Goals. Especially in 3rd BIS 2021, we brought up 'Decade of Action towards Environmental Issues: Advancing the Innovation to Recover our Planet' as the main theme. The conference will be held on Wednesday, December 15, 2021, in Magelang, Central Java, Indonesia. Scope includes: Art, Linguistics, Communication, Economics, Education, Government Studies, Health Administration, Hospitality, International Relations, Law, Pharmacy, Political Studies, Psychology, Public Health, Religious Studies, Sociology, Health Sciences.
