J. v. Vondels Lucifer Joost van den Vondel, 1654 **Vondel's Lucifer. Translated from the Dutch [with Introductory Essays] by L.C. Van Noppen. Illustrated by J. Aarts. [With an Introduction on "Vondel's Lucifer in English," by W.H. Carpenter, and on "Vondel and His Lucifer," by G. Kalff.].** Joost van den VONDEL, John AARTS, William Henry CARPENTER (Provost of Columbia University.), Gerrit KALFF (the Elder.), Leonard Charles VAN NOPPEN, 1898 **The Sublime in the Visual Culture of the Seventeenth-Century Dutch Republic** Stijn Bussels, Bram Van Oostveldt, 2023-11-07 Contrary to what Kant believed about the Dutch and their visual culture as being of an orderly and diligent position and thus having no feeling for the sublime this book argues that the sublime played an important role in seventeenth century Dutch visual culture By looking at different visualizations of exceptional heights divine presence political grandeur extreme violence and extraordinary artifacts the authors demonstrate how viewers were confronted with the sublime which evoked in them a combination of contrasting feelings of awe and fear attraction and repulsion In studying seventeenth century Dutch visual culture through the lens of notions of the sublime we can move beyond the traditional and still widespread views on Dutch art as the ultimate representation of everyday life and the expression of a prosperous society in terms of calmness neatness and order The book will be of interest to scholars working in art history visual culture architectural history and cultural history The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 International license Funded by Ghent University **Doing Double Dutch** Elke Brems, Orsolya Réthelyi, Ton van Kalmthout, 2017-05-22 The importance of a minor language in the field of world literature Dutch literature is increasingly understood as a network of texts and poetics connected to other languages and literatures through translations and adaptations In this book a team of international researchers explores how Dutch literary texts cross linguistic historical geophysical political religious and disciplinary borders and reflects on a wide range of methods for studying these myriad border crossings As a result this volume provides insight into the international dissemination of Dutch literature and the position of a smaller less translated language within the field of world literature The title *Doing Double Dutch* evokes a popular rope skipping game in which two people turn two long jump ropes in opposite directions while a third person jumps them A fitting metaphor for how literature circulates internationally two dynamic spheres the source culture and the target culture engage one another in a complex

Dutch and Flemish Literature as World Literature Theo D'haen, 2019-07-25 The recent return of world literature to the centre of literary studies has entailed an increased attention to non European literatures but in turn has also further marginalized Europe s smaller literatures Dutch and Flemish Literature as World Literature shows how Dutch language literature from its very beginnings in the Middle Ages to the present has not only always taken its cue from the major literary traditions of Europe and beyond but has also actively contributed to and influenced these traditions The contributors to this book focus on key works and authors providing a concise yet highly readable history of Dutch language literature and demonstrating how this literature is anchored in world literature

Unsettling Translation Mona Baker, 2022-05-31 This collection engages with translation and interpreting from a diverse but complementary range of perspectives in dialogue with the seminal work of Theo Hermans A foundational figure in the field Hermans s scholarly engagement with translation spans several key areas including history of translation metaphor norms ethics ideology methodology and the critical reconceptualization of the positioning of the translator and of translation itself as a social and hermeneutic practice Those he has mentored or inspired through his lectures and pioneering publications over the years are now household names in the field with many represented in this volume They come together here both to critically re examine translation as a social political and conceptual site of negotiation and to celebrate his contributions to the field The volume opens with an extended introduction and personal tribute by the editor which situates Hermans s work within the broader development of critical thinking about translation from the 1970s onward This is followed by five parts each

addressing a theme that has been broadly taken up by Theo Hermans in his own work translational epistemologies historicizing translation performing translation centres and peripheries and digital encounters This is important reading for translation scholars researchers and advanced students on courses covering key trends and theories in translation studies and those engaging with the history of the discipline The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
