Units of Study for Teaching Writing Lucy Calkins, Kathy Collins, 2006 This series of books is designed to help upper elementary teachers teach a rigorous yearlong writing curriculum *Educators Guide to Free Internet Resources* Educators Progress Service, 2005-04 To provide our customers with a better understanding of each title in our database we ask that you take the time to fill out all details that apply to each of your titles Where the information sheet asks for the annotation we ask that you provide us with a brief synopsis of the book This information can be the same as what may appear on your back cover or an entirely different summary if you so desire *Conversations with a Poet* Betsy Franco, 2005 Presents ideas for teaching forms elements and writing of poetry kindergarten to high school and describes and provides teachers with samples and bibliographies for sixteen poetic forms Provided by publisher **Assessing Writers** Carl Anderson, 2005 Anderson offers smart ready to use ideas for assessment **Teaching Language and Literacy** James F. Christie, Carol Vukelich, Billie Enz, 2007 This text does an exemplary job of presenting current early literacy research and methods in a manner that can be understood and respected Also its emphasis upon workshop based instruction is very appealing to me as a long time advocate for this approach to literacy Scott A L Beck Georgia Southern University The third edition of Teaching Language and Literacy Preschool Through the Elementary Grades integrates a constructivist emergent literacy perspective with science based instructional practices This unique focus on theories and techniques that have proven to be successful helps pre service and in service teachers translate principles into classroom practice Perfect for any course with a focus on language the book covers the development and teaching of both oral and written language in preschool through elementary grades Its emphasis on diversity includes special features that describe how teachers can adjust instruction to meet the needs of second language and bilingual learners In addition the third edition focuses on scientifically based reading research SBRR throughout blending these findings with other perspectives in a value added approach to language and literacy teaching and learning New features include Emphasis on a blended approach to language and literacy instruction including both authentic learning linked to activities and developmentally appropriate teaching Activities such as Linking Knowledge to Practice help students connect theory to practices they observe in preschool and kindergarten classrooms In depth coverage of new federal and state literacy initiatives standardized literacy assessments and latest practices in ongoing literacy assessment *The Art of Teaching Writing* Lucy Calkins, 1986 Cloth Edition The Art of Teaching Writing New Edition has major new chapters on assessment thematic studies writing throughout the day reading writing relationships publication curriculum development nonfiction writing and home school connections Copyright Libri GmbH All rights reserved *Classroom Notes Plus*, 1999 **Resources in Education**, 1995 *Teaching Middle School Writers* Laura Robb, 2010 My whole goal with this book was to come at teaching writing from the angle that matters most students perspective They taught me what I needed to know to make this book live up to their passion for writing Laura Robb

Adolescents have robust and rewarding writing lives outside of school that involve journals emails text messages blogs and an astounding array of genres Unlike their personal reading lives that teachers frequently tap into their personal writings typically exist under the curricular radar that is until now While grounded in the common schedule constraints and curriculum demands of middle school Laura Robb s Teaching Middle School Writers offers teachers lessons and routines that are uncommonly attuned to adolescents developmental and social needs As she taps into the energy and enthusiasm of adolescents personal writing lives Laura presents writing plans that support first drafts strategies for crafting leads that grab and endings that satisfy grammar lessons that address writing conventions editing lessons that have students revise their writing before the teacher reads it guidelines for grading and responding to student work Straight from the classroom writing samples and videos give teachers the opportunity to see how Laura uses compelling questions and powerful mentor texts to teach writing support struggling writers and weave twenty first century literacies into the writing curriculum Throughout teachers learn ways of connecting to students lives in order to bring out their best writing their best self Watch a video overview
