Grudin, 2021-03-25 The Present Prospects of Social Art History represents a major reconsideration of how art historians analyze works of art and the role that historical factors both those at the moment when the work was created and when the historian addresses the objects at hand play in informing their interpretations Featuring the work of some of the discipline s leading scholars the volume contains a collection of essays that consider the advantages limitations and specific challenges of seeing works of art primarily through a historical perspective The assembled texts along with an introduction by the co editors demonstrate an array of possible methodological approaches that acknowledge the crucial role of history in the creation reception and exhibition of works of art      *Narratives of Civic Duty* Aram Hur, 2022-11-15 In *Narratives of Civic Duty* Aram Hur investigates the impulse behind a sense of civic duty in democracies Why do some citizens feel a responsibility to vote pay taxes or take up arms in defense of one s country Through comparing democratic societies in East Asia and elsewhere Hur shows that the sense of obligation to be a good citizen upon which the resilience of a democracy depends emerges from a force long thought to be detrimental to democracy itself national attachments Nationalism s illiberal and exclusive tendencies are typically viewed as disruptive to democratic processes but Hur argues that there is nothing inherently antidemocratic about nationalism Rather whether nationalism helps or hinders democracy is shaped by the historicized relationship between a national people and their democratic state When national stories portray that relationship as one of mutual commitment

nationalism strengthens democracies by motivating widespread civic duty among citizens Drawing on personal narratives statistical surveys and experiments *Narratives of Civic Duty* offers a provocative national theory of civic duty that cuts to the heart of what makes democracies thrive The Bookman ,1902 *General Technical Report INT.* ,1988 *The Etude* ,1911 A monthly journal for the musician the music student and all music lovers *The Christian Union* Henry Ward Beecher,1889 **Book Review Digest** ,1913 **The Literary World** ,1878 The Musical Times and Singing-class Circular ,1868 All Russia is Burning!
