

Gary Soto's short story, "The No-Guitar Blues," tells about a boy trying to collect enough money to buy a guitar. The response essay below analyzes the story's plot and character development to reveal the main theme.

Beginning

The beginning names the story and author and focuses on the theme (underlined).

Fausto's Guilt

In Gary Soto's short story, "The No-Guitar Blues," the main character, a teenage boy named Fausto, takes advantage of some rich folks. As a result, he is consumed by guilt. The story shows that deep down, people want to do the right thing.

The story begins with Fausto wanting to play guitar in his own band. He wonders how he can get a guitar. Soto uses idioms to illustrate that Fausto's family does not have a lot of money. For example, Fausto worries that if he asks for a guitar, his parents will say, "Money doesn't grow on trees," or "What do you think we are, bankers?" (56). When he does ask for a guitar, his mother replies, "Honey, a guitar costs a lot of money . . . but we'll see" (57).

But Fausto is determined. He hops on a bike and rides north, away from his home near the vacant lot on Olive Street. In the nicer section of Fresno, he goes door-to-door searching for work, hoping to be paid enough to buy a guitar. The author says that Fausto only earns a "grimy, dirt-caked quarter" (58) and one juicy orange. Little does Fausto know that this orange will lead him straight into a lie.

As Fausto sits eating the orange, a sad-eyed dog comes along. Fausto begins feeding it orange slices. Fausto has an idea: "At that moment, a light came on inside Fausto's head" (59). He notices that the dog looks healthy and well fed. He spots a collar and tag, and he realizes that "Roger" probably belongs to rich people. The address is only six blocks away. This is when Fausto decides to tell a lie. He will say that he found Roger near the freeway, and maybe the owners will give him a reward big enough to buy a guitar.

Fausto feels guilty at the thought of lying. The guilt steadily builds. It increases as he stands on the porch knocking on the door. It gets worse as the man and woman

Middle

Each middle paragraph explains a different stage in the development of the theme.

Resources in Education ,1997-10 *Multilingual Learners and Academic Literacies* Daniella Molle,Edynn Sato,Timothy Boals,Carol A. Hedgspeth,2015-03-05 Shifting the discourse from a focus on academic language to the more dynamic but less researched construct of academic literacies this volume addresses three key questions What constitutes academic literacy What does academic literacy development in adolescent multilingual students look like and how can this development be assessed What classroom contexts foster the development of academic literacies in multilingual adolescents The contributing authors provide divergent definitions of academic literacies and use dissimilar theoretical and methodological approaches to study literacy development Nevertheless all chapters reflect a shared conceptual framework for examining academic literacies as situated overlapping meaning making practices This framework foregrounds students participation in valued disciplinary literacy practices Emphasized in the new college and career readiness standards the notion of disciplinary practices allows the contributing authors to bridge the language content dichotomy and take a more holistic as well as nuanced view of the demands that multilingual students face in general education classrooms The volume

also explores the implications of the emphasis on academic literacy practices for classroom instruction research and policy

The Oxford Handbook of Deaf Studies in Literacy Susan R. Easterbrooks, Hannah M. Dostal, 2021 The Oxford Handbook of Deaf Studies in Literacy brings together state of the art research on literacy learning among deaf and hard of hearing learners DHH With contributions from experts in the field this volume covers topics such as the importance of language and cognition phonological or orthographic awareness morphosyntactic and vocabulary understanding reading comprehension and classroom engagement written language and learning among challenged populations Avoiding sweeping generalizations about DHH readers that overlook varied experiences this volume takes a nuanced approach providing readers with the research to help DHH students gain competence in reading comprehension *Pacific Rim Objective Measurement Symposium (PROMS) 2015 Conference Proceedings* Quan Zhang, 2016-08-06 This book collects and organizes the original studies presented at PROMS 2015 conference on theories and applications of Rasch model It provides useful examples of the Rasch model used to address practical measurement problems across a range of different disciplines including Item Response Theory IRT philosophy of measurement dimensionality the role of fit statistics and residuals application educational application language testing health related research business and industrial application and Rasch based computer software PROMS 2015 Pacific Rim Objective Measurement Symposium was held from August 20 24th 2015 in Fukuoka Japan The goal of this conference is to bring together the researchers from academia universities hospitals industry management sector as well as practitioners to share ideas problems and solutions relating to the multifaceted aspects of Rasch Model **Literacy Assessment and Intervention for Classroom Teachers** Beverly A.

examples of teachers using assessment strategies

Handbook of Reading Disability Research Anne

McGill-Franzen, Richard Allington, 2010-09-17 Bringing together a wide range of research on reading disabilities this comprehensive Handbook extends current discussion and thinking beyond a narrowly defined psychometric perspective Emphasizing that learning to read proficiently is a long term developmental process involving many interventions of various kinds all keyed to individual developmental needs it addresses traditional questions What is the nature or causes of reading disabilities How are reading disabilities assessed How should reading disabilities be remediated To what extent is remediation possible but from multiple or alternative perspectives Taking incursions into the broader research literature represented by linguistic and anthropological paradigms as well as psychological and educational research the volume is on the front line in exploring the relation of reading disability to learning and language to poverty and prejudice and to instruction and schooling The editors and authors are distinguished scholars with extensive research experience and publication records and numerous honors and awards from professional organizations representing the range of disciplines in the field of reading disabilities Throughout their contributions are contextualized within the framework of educators struggling to develop concrete instructional practices that meet the learning needs of the lowest achieving readers **Child**

Development Laura E. Levine, Joyce Munsch, 2016-12-01 In the Third Edition of the topically organized Child Development An Active Learning Approach authors Laura E Levine and Joyce A Munsch invite students to take an active journey toward understanding the latest findings from the field of child development Using robust pedagogical tools built into the chapter narratives students are challenged to confront myths and misconceptions participate in real world activities with children and independently and utilize video resources and research tools to pursue knowledge and develop critical thinking skills on their own This new edition covers the latest findings on developmental neuroscience positive youth development the role of fathers and more with topics of diversity and culture integrated throughout More than a textbook this one of a kind resource will continue to serve students as they go on to graduate studies to work with children and adolescents professionally and to care for children of their own **The Routledge Companion to Dyslexia** Gavin Reid, 2012-06-25 The Routledge

Companion to Dyslexia is a ground breaking analysis of the whole field of dyslexia by a distinguished team of international contributors and editors engaged in literacy inclusion and learning Their diverse perspectives and wide expertise make this invaluable guide one of the most important additions to the field of dyslexia for over a decade Dyslexia is without doubt the most high profile and contentious learning difficulty and it is a topic that has attracted a vast amount of research opinion professional schisms and debate The Companion provides an invaluable overview of the field of dyslexia with vital and clear emphasis on linking theoretical perspectives with best practice This accessible text presents a survey of current and future development in research with a focus on how research can inform practice focuses on areas such as neurobiology phonological processing literacy acquisition numeracy and multilingualism considers assessment and identification with

contributions on early identification reading spelling and mathematics addresses identifying and meeting needs in an inclusive context discusses inclusion and barriers to learning in a variety of different national contexts includes models of instruction direct instruction co operative learning and cross curricular learning The Routledge Companion to Dyslexia is a superb resource for anyone interested in the subject whether in education or related subjects such as psychology or neurology Fully indexed and cross referenced with helpful further reading sections at the end of each entry it is ideal for those coming to the field of dyslexia for the first time as well as students and practitioners already familiar with the subject

Child Development From Infancy to Adolescence Laura E. Levine, Joyce Munsch, 2023-05-12 Chronologically organized Child Development from Infancy to Adolescence Third Edition introduces topics within the field of child development through unique and engaging Active Learning opportunities *Working Collaboratively in Second/Foreign Language Learning* María del Pilar García Mayo, 2021-01-18 Since the introduction of communicative language teaching collaborative learning has played an important role in the second language L2 classroom Drawing from sociocultural theory which states that human cognitive development is a socially situated activity mediated by language studies in L2 pedagogy advocate the use of tasks that require learners to work together Collaborative dialogue encourages language learning and research shows that the solutions reached by students in this process are more often correct with a lasting influence on their language comprehension This volume includes ten chapters that illustrate the benefits of collaborative dialogue in second foreign language classrooms The volume considers key issues dealing with collaborative tasks and implications for language teaching *Linguistically Diverse Immigrant and Resident Writers* Christina Ortmeier-Hooper, Todd Ruecker, 2016-07-15 Spotlighting the challenges and realities faced by linguistically diverse immigrant and resident students in U S secondary schools and in their transitions from high school to community colleges and universities this book looks at programs interventions and other factors that help or hinder them as they make this move Chapters from teachers and scholars working in a variety of contexts build rich understandings of how high school literacy contexts policies such as the proposed DREAM Act and the Common Core State Standards bridge programs like Upward Bound and curricula redesign in first year college composition courses designed to recognize increasing linguistic diversity of student populations affect the success of this growing population of students as they move from high school into higher education *Early Biliteracy Development* Eurydice B. Bauer, Mileidis Gort, 2012-05-22 A large and growing number of students from culturally and linguistically diverse backgrounds in the US and around the world have the potential to develop bilingualism and biliteracy if supported in their immediate environment At the forefront in focusing exclusively on biliteracy development in early childhood across a variety of languages this book provides both findings from empirical research with young bilinguals in home and school contexts and practical applications of these findings Each chapter is structured in a similar format to offer parallel descriptions of the research including a brief review of related empirical studies an overview of the methods for data collection and analysis a

description of the main findings and specific pedagogical implications to support educators efforts to construct meaningful challenging and dynamic literacy and language learning communities where one or more languages are used for communicating and learning Pushing the field forward this book is a valuable resource for helping literacy educators understand and respond to critical issues related to the development of young children s literate competencies in two languages in home and school contexts

Raising and Educating a Deaf Child National Technical Institute for the Deaf Rochester Institute of Technology Marc Marschark Director and Professor,1997-04-17 Over 90% of all deaf children are born to hearing parents For most of these mothers and fathers their own child is the first deaf person they have ever met Raising a child who can hear is a challenging and difficult task but raising a deaf child can seem like an overwhelming responsibility especially with the mass of conflicting information and advice offered by professionals and well meaning friends and family members In Raising and Educating a Deaf Child Marc Marschark offers parents and teachers a readable and comprehensive summary including everything a parent would want to know about growing up deaf Parents of a deaf child like the parents of any child want to know the answers to some apparently straightforward questions such as What kind of school will provide my child with the best education What language experience is best for my child sign or speech Will my child be able to get a good job Marschark addresses these questions and more with topics ranging from what it means to be deaf and the uniqueness of Deaf culture to the medical causes of early hearing loss from technological aids for the deaf such as TTYs and cochlear implants to the educational and social opportunities available to deaf children He describes the many ways that the environment of home and school can influence a deaf child s chances for success in both academic and social circles Above all he emphasizes the need for early detection of hearing loss and the importance of being able to communicate with deaf children from a very early age recommending that all parents of deaf children learn sign language and use it often This is not a how to book or one with all the right answers for raising a deaf child This is a guide through the many conflicting suggestions and programs for raising deaf children as well as the likely implications of taking one direction or the other A leading researcher himself Marschark makes sense of the most current educational and scientific literature including his own recent research and talks to deaf children their parents and deaf adults about what is important to them The result is a readable and enlightening survey of what we know about the language social and intellectual development of deaf children and what educational and practical issues face them and their families Parents of deaf children can and should make their own decisions based on what is right for their family and for their child Armed with Raising and Educating a Deaf Child parents will have access to the best information available allowing them to make informed decisions for their child
