is just that essential Negotiation in simple terms is the basic means of getting what you want from others It is back and forth communication designed to reach an agreement when you and the other party have some interests that are shared and others that are opposed We are all negotiators Whether you sometimes disagree with a colleague or spouse buy a car lead a project or work group you negotiate and need to know how to do it given the specific circumstance and nature of the interactions While we may negotiate in many forums and have a variety of negotiating experiences we don't bargain collectively all the time Collective Bargaining Preparation Essentials The Handbook is about collective bargaining the negotiation or renegotiation of employees terms and conditions of employment and alternatives What emerges from your planning negotiation and implementation efforts is a codification of what the union and the employer agree on to regulate their conduct and dealings over a certain period All based on the parties choice of alternatives Collective Bargaining Preparation Essentials The Handbook is a resource It will broaden your perspective on your union employer relationship and your bargaining style and provide preparation guidelines and strategies to successfully negotiate a collective agreement

Creating the Third Force Maureen P. Flaherty, Hamdesa Tusso, 2016-11-21 The profession of peacemaking has been practiced by indigenous communities around the world for many centuries however the ethnocentric world view of the West which dominated the world of ideas for the last five centuries dismissed indigenous forms of peacemaking as irrelevant and backward tribal rituals Neither did indigenous forms of peacemaking fit the conception of modernization and development of the new ruling elites who inherited the postcolonial state The new profession of Alternative Dispute Resolution ADR which emerged in the West as a new profession during the 1970s neglected the tradition and practice of indigenous forms of peacemaking The scant literature which has appeared on this critical subject tends to focus on the ritual aspect of the indigenous practices of peacemaking The goal of this book is to fill this lacuna in scholarship More specifically this work focuses on the process of peacemaking exploring the major steps of process of peacemaking which the peacemakers follow in dislodging antagonists from the stage of hostile confrontation to peaceful resolution of disputes and eventual reconciliation The book commences with a critique of ADR for neglecting indigenous processes of peacemaking and then utilizes case studies from different communities around the world to focus on the following major themes the basic structure of peacemaking process change and continuity in the traditions of peacemaking the role of indigenous women in peacemaking the nature of the tools peacemakers deploy common features found in indigenous processes of peacemaking and the overarching goals of peacemaking activities in indigenous communities Essentials of Real Estate Finance David Sirota, 1992 User friendly and interactive this is the most thorough practice oriented real estate finance text in print A working knowledge of finance is a must for the successful licensee Chapters 1 through 7 explain the concepts and issues of finance encountered with every sale while chapters 8 through 14 focus on the practical application of those concepts New content ensures that students get the latest information from the world of real estate finance **Forthcoming Books** Rose
