**Ethical Challenges to Business as Usual - Second Edition** Shari Collins,2022-06-17 This anthology offers a fresh approach to the ethics of business casting a critical eye on entrenched assumptions and practices It includes central works from such thinkers as John Locke Karl Marx Milton Friedman Naomi Klein and Thomas Piketty while also introducing new voices on a range of pressing practical topics including racial discrimination in the workplace factory farming climate change affirmative action and whistleblowing A truly applied anthology this book encourages students to see the real world applications of the theories at issue and to examine the consequences of business as usual      A New Identity of Obligation:

Metaphors and Paul's Ethical Argument in Romans 6:1-14 Andrés D. Vera, 2025-06-19 In Romans 6 1 14 Paul corrects an erroneous ethical conclusion drawn from the narrative of God's grace in Romans 3 5 This innovative study employs tools from cognitive linguistics to unveil Paul's sophisticated rhetorical strategy for resolving the indicative imperative tension By moving beyond traditional theological frameworks the book shows how Paul presents believers new identity as defined by a new obligation illuminating the metaphorical narrative that undergirds Paul's logic Readers will better understand the importance of conceptual spaces like in sin and in Christ and how Paul conceptualizes the relationship between believers and their old selves who have been crucified

**Ethical Argumentation** Douglas Walton, 2009-01-01 Bridging the gap between applied ethics and ethical theory Ethical Argumentation draws on recent research in argumentation theory to develop a more realistic model of how ethical justification actually works Douglas Walton presents a new model of ethical argumentation in which ethical justification is analyzed as a defeasible form of argumentation considered in a balanced dialogue Walton's new model employs techniques such as asking the appropriate critical questions probing accepted values finding nonexplicit assumptions in an ethical argument and deconstructing emotive terms and persuasive definitions This book will be of significant interest to scholars and advanced students in applied ethics and theory

**The Invention of Journalism Ethics, Second Edition** Stephen J.A. Ward, 2015-09-01 Does objectivity exist in the news media In The Invention of Journalism Ethics Stephen Ward argues that given the current emphasis on interpretation analysis and perspective journalists and the public need a new theory of objectivity He explores the varied ethical assertions of journalists over the past few centuries focusing on the changing relationship between journalist and audience This historical analysis leads to an innovative theory of pragmatic objectivity that enables journalists and the public to recognize and avoid biased and unbalanced reporting Ward convincingly demonstrates that journalistic objectivity is not a set of absolute standards but the same fallible but reasonable objectivity used for making decisions in other professions and public institutions Considered a classic in the field since its first publication in 2004 this second edition includes new chapters that bring the book up to speed with journalism ethics in the twenty first century by focusing on the growing dominance of online journalism and calling for a radical approach to journalism ethics reform Ward also addresses important developments that have occurred in the last decade including the emergence of digital journalism ethics and global journalism ethics

*Ethics for a Brave New World, Second Edition (Updated and Expanded)* John S. Feinberg,Paul D. Feinberg,2010-11-04 Aldous Huxley's 1932 book Brave New World foresees a world in which technological advances have obliterated morality and freedom John Feinberg and Paul Feinberg in the first edition of Ethics for a Brave New World noted how Huxley landed frighteningly close to the truth Their book responded to ethical crises such as abortion euthanasia capital punishment and genetic engineering by looking to Scripture for principles to guide us through the moral quagmires of our time Now dramatically updated and expanded this edition of Ethics for a Brave New World seeks to maintain the relevance rigorous scholarship and biblical faithfulness of the first edition While many of the topics covered in the book remain the same John Feinberg has revised each chapter to keep it current with contemporary trends and to respond to the most recent scholarship There is a new chapter on stem cell research and greatly expanded material on issues such as homosexuality and genetic engineering This important resource will be a valuable guide for students and those seeking answers to ethical dilemmas

**Ethics for European Psychologists** Geoff Lindsay,Haldor Øvreeide,Casper

Koene,2024-08-12 The understanding of and adherence to professional ethics is fundamental in navigating the moral encounters and dilemmas that all psychologists face in their daily work whether in research or professional practice Core values and principles remain stable However as more complex and conflicting societal contexts come into play the individual psychologist and the professional community need support in upholding a solid moral integrity The volume is a welcome resource for any psychologist or student wanting to foresee prevent and professionally manage in an ethically responsible way the moral challenges that arise The framework for this timely second edition remains the Meta code of Ethics of the European Federation of Psychologists Associations EFPA which is an important asset in addressing the challenges faced by the profession now and in the coming years The discussions of the principles on the meta code are further developed and the authors have extended the number and types of practical examples to vividly illustrate ethical challenges and dilemmas faced Read discuss and evaluate your practice      **Case Studies in Criminal Justice Ethics** Michael Braswell,Larry

Miller,Joycelyn Pollock,2020-12-23 Ethical conflicts rarely involve clear cut choices Decision making in ambiguous circumstances challenges personal values and professional ethics The fog of politics personal bias and past experiences factor into the choices made The goal of this compelling collection of cases is to stimulate reflection about the ethical dilemmas encountered in interactions Thought provoking case studies address police misconduct protests and civil unrest school resource officers questionable prosecutorial practices the challenges of a pandemic for prisons the influence of politics ethnic gender sexual preference bias family conflict immigration perceptions of terrorism and executing someone who may be innocent The experiential approach presents readers with opportunities to think about decisions they might have to make as criminal justice professionals People employed in criminal justice have a great deal of power and discretion which can be used ethically or unethically Introductions to the sections on law enforcement the courts corrections and juvenile justice provide background for analyzing the hypothetical scenarios Case commentaries and questions provoke discussion about potential courses of action and the consequences of various choices

Ethical Argument 2nd Edition: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Ethical Argument 2nd Edition : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
