Fatal Puzzle Catherine Shepherd, 2015. 1495. In the peaceful medieval city of Zons on the banks of the Rhine a young woman is found hanging from a parapet, raped and mutilated. A month later another maiden falls prey. Bastian Muhlenberg, head of the City Guard, is determined to decipher the murderer's gruesome code, unaware that he and the woman he loves are in the killer's sights. With the help of an old psychic, a priest, and the stars above, Muhlenberg must solve the fatal puzzle before it's too late. Present-day Journalist Emily Richter is thrilled when she's assigned a series of articles about the historic Zons killings. However, right before her stories are to be published, a young woman's body is found hanging from a city tower, grossly maimed and wearing a linen gown like her medieval predecessors. Detective Oliver Bergmann leads the investigation, tapping the knowledge of the attractive young journalist. Working together and using Muhlenberg's old notes, they race to stay one step ahead of the copycat killer.

The Reaper of Zons Catherine Shepherd, 2016. 1495. In the medieval city of Zons, head of the City Guard Bastian Muhlenberg wonders how a place so idyllic could produce yet another serial killer. The hunt for the killer leads him into an underground maze in search of a treasure chest. Present-day Zons detective Oliver Bergmann and his love, journalist Emily, work to prevent the murder of Emily's best friend using Bastian's cryptic centuries-old notes.
