**From My Heart to Yours: A Father's Love Letters to His Daughter** Asif N K Jani, 2025-01-18 This novel chronicles the emotional journey of a father who was forced to separate from his beloved daughter. He expressed his feelings of sorrow through 18 letters that he wrote to her. It is a poignant tale of how her absence has caused him immense pain and grief. The narrator comes to the realization that this longing for his daughter will never truly dissipate even until the end of his life. However, he is determined to find ways to cope with this reality. Through this narrative, readers are given insight into the heart of a father who desperately holds on to hope for a future reunion with his daughter. While the story is told from the perspective of a man whose child has been taken from him, it will strike a chord with all fathers who can relate to the strong desire to be reunited with their children. He eagerly awaits the day when his daughter is old enough to read and comprehend this book's emotional weight. At just three years and twenty-two days old now, he knows that it will hold a special place in her life as she grows up. How to Father Fitzhugh Dodson, 1975 Letters for the Literate Mary Ellen

Goodenberger, 2002-04-24 The volume purports to be a book of writing examples. Even more important, it is a book about love: man and wife, parent and child, sibling and sibling, grandparent and grandchild, family member and family member, friend and friend, teacher and student, citizen and state. Both the writing and the relationships are worthy of your investigation. *How Young Ladies Became Girls* Jane H. Hunter, Professor Jane Hunter, 2002-01-01 There they competed for grades and honor directly against male classmates. Before and after school they joined a public world beyond adult supervision, strolling city streets, flagging down male friends, visiting soda fountains. Over the long term, their school experiences as girls foreshadowed both the turn of the century emergence of the independent New Woman and the birth of adolescence itself.

Entezar, 2016-10-07 West of Kabul East of San Francisco is the highlights of my life story Keeping a diary is not common in developing countries such as Afghanistan and this makes autobiographies less common in these countries The existing biographies and autobiographies in the Islamic countries are mostly those about the Prophet Mohammad and other important religious figures or monarchs These biographies however are full of praise This historic precedent has also had its effect on autobiographies written by Western educated Afghans They too are full of praise and criticisms of rivals rarely talking about their own problems and weaknesses In other words they are mostly self centered and egotistical in nature In West of Kabul East of San Francisco I have tried to be as objective as possible in avoiding such pitfalls I describe events and relationships as realistically as possible But I realize that no one can entirely escape the influence of their mother culture
