Fatima: The Blood Spinners #3 Gilbert Hernandez, 2012-06-27 _Love and Rockets_ Gilbert Hernandez raises the stakes and the craziness as Fatima s war against drug created zombies seems lost When Fatima s superiors come up with a last ditch solution to put she and the few other surviving agents into suspended animation to awaken once the flesh eaters have starved to death are they saving the planet or condemning Fatima to a world completely overtaken by the undead Anything from any or all of the Hernandez Brothers is cause for celebration Mike Allred creator of _Madman_ http://images.darkhorse.com/darkhorse/index_images/blog/DHO2.jpg ***Fatima: The Blood Spinners #1*** Gilbert Hernandez, 2014-12-24 Love and _ZOMBIES Comics luminary Gilbert Hernandez envisions his strangest most thrilling future yet A drug called spin offers the wildest trip imaginable followed by its users inevitable rapid deterioration into undead flesh eaters Despite the side effect the drug is so popular that the human population is dying out With no cure to be found the beautiful lovesick Fatima may be the only thing standing between the survivors and the apocalypse Get ready for four issues of zombies drug lords and gorgeous women Hernandez s art is as assured and potent as ever he draws in black and white as if color had never been invented ComicMix DH Original http://images.darkhorse.com/darkhorse/index_images/blog/DHO2.jpg DH Original **Fatima: The Blood Spinners** Gilbert Hernandez, 2014-04-01 Comics luminary Gilbert Hernandez envisions his strangest most

The Hernandez Brothers Enrique García, 2017-07-18 This study offers a critical examination of the work of Gilbert and Jaime Hernandez Mexican American brothers whose graphic novels are highly influential The Hernandez brothers started in the alt comics scene where their Love and Rockets series quickly gained prominence They have since published in more mainstream venues but have maintained an outsider status based on their own background and the content of their work Enrique Garcia argues that the Hernandez brothers have worked to create a new American graphic storytelling that while still in touch with mainstream genres provides a transgressive alternative from an aesthetic gender and ethnic perspective The brothers were able to experiment with and modify these genres by taking advantage of the editorial freedom of independent publishing This freedom also allowed them to explore issues of ethnic and gender identity in transgressive ways Their depictions of latinidad and sexuality push against the edicts of mainstream Anglophone culture but they also defy many Latino perceptions of life politics and self representation The book concludes with an in depth interview with Jaime and Gilbert Hernandez that touches on and goes beyond the themes explored in the book

Veil #2 Greg Rucka, 2014-04-30 A conjuring doesn t work out as planned and one man s life is in danger but when you have the powers of the devil at your fingertips how bad can it get Double crossed and angry the mystery man is on the hunt and Veil is his target From Eisner Award winning writer Greg Rucka _Whiteout_ _Stumptown_ _Queen Country_ _Gotham Central_

Peter Bagge Kent Worcester, 2015-03-06 For fans of Peter Bagge b 1957 and his bracing satirical writing and drawing this collection offers a perfect means to track how he describes his career choices work habits preoccupations and comedic sensibility since the 1980s Featuring a new interview and much previously unavailable material this book delivers insightful occasionally gossipy sometimes funny and often tart conversations His career has intersected with the modern history of comics from underground comix and indie comics to comics journalism and graphic nonfiction Bagge s detailed garrulous and often grotesquely funny and discomfiting work harks back to the underground generation recalling Robert Crumb and Gilbert Shelton while also pointing forward to the emergence of alternative comics as a distinct genre His signature series the rawly humorous Hate 1990 1998 and his editorship 1983 1986 of the often outrageous Weirdo magazine founded by Crumb established Bagge as a leading voice in alternative comics and his rude wildly expressive cartooning makes him a counterpoint to the still introspection of recent literary graphic novels In his career over three decades Bagge has left his mark on various formats and genres as a prolific cartoonist an accomplished musician and a sometime essayist editor and animator While his creative output encompasses autobiographical comics graphic nonfiction

magazine illustrations gag cartoons minicomics political commentary superhero parodies comic strips animated videos and one page humor pieces Bagge stands out for creating continuity based graphic stories that revolve around sharply defined over the top fictional characters Libertarians know him for his comics journalism as his graphic biography of Margaret Sanger in 2013 reaches new audiences While some have lazily branded Bagge as a grunge era visual satirist his creative restlessness and expanding body of work make it difficult to confine him within any single genre cultural niche or historical moment
